ASSIGNMENT

Application No.: 29594016

Filing Date: February 15, 2017

WHEREAS, Christopher John Murray, citizen of the United Kingdom, John Depler Coleman, citizen of the United States of America, and Mathieu Dominic Turpault, citizen of the United States of America (hereinafter called "Assignors"), have made certain new and useful inventions or discoveries relating to:

Sample Preparation Module, Diagnostic Testing Module, And Machine Assembly

Such is referred to as the "invention" hereinafter.

WHEREAS, pursuant to a Consulting Agreement dated February 25, 2015, between Bresslergroup, Inc. and BECTON, DICKINSON AND COMPANY ("Consulting Agreement" hereinafter) Bresslergroup Inc., assigned its entire right, title, and interest in the invention to BECTON, DICKINSON AND COMPANY and hereby does assign all such right, title and interest to the extent not already assigned by operation of the Consulting Agreement;

WHEREAS, Christopher John Murray, John Depler Coleman, and Mathieu Dominic Turpault are employees or members of Bresslergroup, Inc, and, pursuant to the above Consulting Agreement, have agreed to and are obligated to assign all right, title and interest to the invention to BECTON, DICKINSON AND COMPANY and hereby do assign all such right, title and interest to the extent not already assigned by operation of the Consulting Agreement.

WHEREAS, BECTON, DICKINSON AND COMPANY, a corporation of New Jersey, (hereinafter called "Assignee"), is desirous of acquiring the entire right, title and interest therein.

NOW, THEREFORE, BE IT KNOWN that for and in consideration of the premises and in acknowledgment, confirmation and performance of obligations which arose out of the terms and conditions of Assignors' employment by Assignee at the time the invention was made, and other valuable considerations to them, the receipt and sufficiency of which are hereby acknowledged, Assignors have assigned, and transferred, and do hereby assign, and transfer unto said Assignee the entire right, title, and interest in and to all said inventions and discoveries disclosed in said application, whose identification above by serial number and filing date, when available, is hereby authorized, and in and to said application, all substitutions, divisions, provisionals, conversions of provisionals and continuations or continuations-in-part, thereof, and in

and to all Letters Patents, United States and foreign, that may be granted for said inventions and discoveries, and in and to all extensions, renewals and reissues thereof, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignors if this Assignment and sale had not been made; and

Assignors hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue said Letters Patent in accordance with this Agreement; and

For the consideration aforesaid, Assignors covenant and agree with said Assignee that they have a full and unencumbered title to the inventions and discoveries above described and hereby assigned, which title they warrant unto said Assignee, its successors and assigns; and

For the consideration aforesaid, Assignors further covenant and agree that they will, whenever requested, but without cost to them promptly communicate to said Assignee or its representatives any facts known to them relating to said inventions and discoveries, testify in any interference or legal proceedings involving said inventions and discoveries, and execute any additional papers that may be necessary to enable said Assignee or its representatives, successors, nominees, or assigns to secure full and complete protection of the inventions and discoveries or that may be necessary to vest in Assignee the complete title to the inventions and discoveries and patents hereby conveyed and to enable it to record title.

IN TESTIMONY WHEREOF, Assignors have hereunto set their hands and seals on the dates subscribed below.
