PATENT ASSIGNMENT AGREEMENT

THIS PATENT ASSIGNMENT AGREEMENT (the "Agreement") is made and entered into on 5 February 2020 (the "Effective Date") between Xuewu Zhou, an individual, with a place of residence at Block B5, Two and Three Layers, Haosan Linpokeng 1# Industry Park, Nanpu RD, Shajing Street, Baoan District Shenzhen 518104 People's Republic China ("Assignor"), and md&c Creative Maison SA, a company organized and existing under the laws of Switzerland, with its registered office address at c/o Tavernier Tschanz, 11bis rue Toepffer, 1206 Geneva, Switzerland, registered with the Commercial Register of Geneva under number CHE-408.514.138, ("Assignee") (each, a "Party" and, collectively, the "Parties").

WHEREAS, Assignor is the owner of all rights, title and interest in and to the inventions (the "Inventions") as described and claimed in the United States and foreign patents and patent application as listed on Schedule A (collectively, the "Patents");

WHEREAS, Assignor and Assignee have agreed by a patent purchase agreement dated 5 February 2020 (the "PPA") by and between Assignor and Assignee, the terms of which are incorporated herein by reference, that Assignor sells, transfers, assigns and sets over unto Assignee and Assignee accepts, all rights, title and interest in and to the Patents as specified in this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements of the Parties and pursuant to the PPA, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed as follows:

1. Assignor sells, transfers, assigns and sets over to Assignee all rights, title and interest in and to the Inventions and the Patents, and all the rights and privileges under any letters patent that may be granted under any continuations, divisions, reissues, reexaminations, renewals, and extensions therefor and thereon and all continuations, continuations-in-part, divisions, reissues, reexaminations, renewals, substitutions, and extensions thereof; and all applications for industrial property protection, including without limitation, all applications for patents, utility models, copyright, and designs which may hereafter be filed for said Inventions and Patents in any country or countries, together with the right to file such applications and the right to claim for the same priority rights derived from the Inventions and the patents under the patent laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, copyrights and designs which may hereafter be filed for said Inventions or Patents in any country or countries, together with the right to file such applications; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates, copyrights and designs which may be granted for said Invention and/or Patent in any country or countries and all extensions, renewals and reissues thereof.
2. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any other country or countries, whose duty is to issue patents or other forms of industrial property on applications as aforesaid, to issue the same to Assignee, its successors, assigns, and legal representatives, or to such nominees as it may designate.

3. Assignor agrees that, whenever reasonably requested by Assignee, Assignor will execute all papers, take all rightful oaths, and do all acts which may be reasonably necessary for securing and maintaining patents for the Inventions in any country and for vesting title thereto in Assignees, its successors, assigns and legal representatives or nominees.
4. Assignor authorizes and empowers Assignee, its successors, assigns, and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for the Inventions, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable, and to invoke and claim such right of priority without further written or oral authorization from Assignor.
5. Assignor hereby consents that a copy of this Agreement shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document that may be required in any country for any purpose and more particularly in proof of the right of Assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.
6. All of the rights, title and interest in and to the Inventions and the Patents sold, transferred, assigned, and set over to Assignee hereunder include all income, royalties, damages and payments now or hereafter due or payable, and all causes of action (whether in law or equity) and the right to sue, counterclaim, and recover for the past, present, and future infringement of the rights assigned or to be assigned hereunder.
