**ASSIGNMENT OF U.S. PATENT APPLICATION AND RELATED PROPERTIES**

WHEREAS, Dooli Products, Inc., a corporation duly organized and existing under the laws of the State of New York and having an address at c/o ALTSCHUL & GOLDSTEIN, P.C., 15 Maiden Lane, Suite 2005, New York, NY 10038 (hereinafter referred to as the “Assignor”) was assigned U.S. patent application Ser. No. 16/446,186 filed June 19, 2019, and an invention disclosed therein, entitled LEARN-TO-WALK SYSTEM INCLUDING BABY WALKER by an assignment from the inventor, David M. Stravitz dated June 19, 2019 and recorded by the U.S. Patent and Trademark Office at Reel 049523, Frame 0938;

WHEREAS, Dooli Products, LLC, a limited liability company duly organized and existing under the laws of the State of Delaware and having an address at c/o David M. Stravitz, 16 Park Avenue, Unit 14A, New York, NY 10036 (hereinafter referred to as the “Assignee”), is desirous of obtaining the entire right, title and interest in, to and under the invention and the non-provisional application and any U.S. non-provisional and foreign applications corresponding thereto or claiming priority thereof;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to Assignee, and/or other good and valuable consideration, the receipt of which is hereby acknowledged, the Assignor has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over unto the Assignee, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the invention and the U.S. non-provisional application, and all non-provisional applications claiming priority thereof and divisionals, reissues, renewals and continuations thereof, and all patents of the United States which may be granted thereon and all reissues and extensions thereof, and all applications for industrial property protection, including, without limitation, all applications for patents, utility models and designs which may hereafter be filed for the invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from the U.S. non-provisional application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is

filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for the invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and

ASSIGNOR HEREBY authorizes and requests the Commissioner for Patents of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument; and

ASSIGNOR HEREBY covenants and agrees that it has full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith; and

ASSIGNOR HEREBY further covenant and agree that it will communicate to the Assignee, its successors, legal representatives and assigns, any facts known respecting the invention, and sign all lawful papers, execute all non-provisional, divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the Assignee, its successors, legal representatives and assigns, to obtain and enforce proper protection for the invention in all countries.

IN TESTIMONY WHEREOF, ASSIGNOR is signing below and providing the day and year opposite the signature.
