PATENT SECURITY AGREEMENT

This PATENT SECURITY AGREEMENT is entered into as of February 4, 2020 (this “**Agreement**”), among Reynolds Consumer Products LLC, Reynolds Presto Products Inc. (each, a “**Grantor**”) and Credit Suisse AG, Cayman Islands Branch (“**Credit Suisse**”), as collateral agent (in such capacity, the “**Collateral Agent**”) for the Secured Parties.

Reference is made to that certain Pledge and Security Agreement, dated as of February 4, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the “**Security Agreement**”), among the Loan Parties party thereto and the Collateral Agent. The Lenders (as defined below) have extended credit to Reynolds Consumer Products LLC, a Delaware limited liability company (the “**Borrower**”) subject to the terms and conditions set forth in that certain Credit Agreement, dated as of February 4, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time and in effect on the date hereof, the “**Credit Agreement**”), by and among, the Borrower, Reynolds Consumer Products Inc., a Delaware corporation (“**Parent**”), the lenders from time to time party thereto (collectively, the “**Lenders**”) and Credit Suisse, in its capacities as administrative agent and collateral agent for the Lenders. Consistent with the requirements set forth in Sections 4.01 and 5.12 of the Credit Agreement and Section 4.03(c) of the Security Agreement, the parties hereto agree as follows:

SECTION 1. **Terms.** Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement.

SECTION 2. **Grant of Security Interest.** As security for the prompt and complete payment or performance, as the case may be, in full of the Secured Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does pledge, collaterally assign, mortgage, transfer and grant to the Collateral Agent, its successors and permitted assigns, on behalf of and for the ratable benefit of the Secured Parties, a continuing security interest in all right, title or interest in, to or under all of the following assets, whether now owned or at any time hereafter acquired by or arising in favor of such Grantor and regardless of where located (collectively, the “**Patent Collateral**”):

- A. all Patents, including those Patent registrations and pending applications in the United States Patent and Trademark Office listed on Schedule I hereto;
- B. the right to sue third parties for past, present and future infringements of any Patent; and
- C. all proceeds of and any right associated with the foregoing;

in each case to the extent the foregoing items constitute Collateral.

Notwithstanding anything to the contrary in (A) through (C) above, this Agreement shall not constitute a grant of a security interest in any Excluded Assets.

SECTION 3. **Security Agreement.** The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Patent Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. **Governing Law.** This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

[Signature Pages Follow]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
