ASSIGNMENT

WHEREAS, I, John M. Rosen, of 5632 Norwood Road, Fairway, Kansas 66205 have invented certain new and useful improvements in an

NON-INVASIVE COLON MOTILITY MONITORING SYSTEM

which is the subject of U.S. Provisional Patent Application No. 62/547,542, filed August 18, 2017; and

WHEREAS, The Children's Mercy Hospital, a corporation duly organized under the laws of the State of Missouri, and having its principal place of business at 2401 ~~Gilham~~ ^{Gillham JMC 8/16/18} Road, Kansas City, Missouri 64108, is desirous of acquiring an interest in, to, and under said invention, said Application and any and all Letters Patent which may be granted for or upon said invention in the United States of America and all countries foreign thereto.

NOW, THEREFORE, to all whom it may concern be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, John M. Rosen, have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto said The Children's Mercy Hospital, the full and exclusive right, title, and interest, throughout the world, in, to, and under the following:

- (a) said invention as fully set forth and described in said Application;
- (b) said Provisional Application Serial No. 62/547,542, filed August 18, 2017;
- (c) any and all non-provisional applications based upon or claiming the priority of said provisional application;

(d) any and all Letters Patent of the United States of America which may issue from a non-provisional application based upon or claiming the priority of said provisional application, and refilings, divisions and continuations of such non-provisional applications;

(e) any and all reissues of said Letters Patent of the United States of America;

(f) any and all applications for Letters Patent on said invention which have heretofore been filed or may hereafter be filed in any and all countries foreign to the United States of America, together with all rights to file and to claim priority in connection with said foreign-filed applications;

(g) any and all refilings, divisions and continuations of said foreign-filed applications;

(h) any and all Letters Patent of countries foreign to the United States of America which may issue from the said foreign-filed applications, refilings, divisions and continuations; and

(i) any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America.

ALL of the above shall be held and enjoyed by said The Children's Mercy Hospital for its own use and behoof, and for its successors, legal representatives, and assigns, to the full end of the term for which said Letters Patent may be granted, and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent in accordance with this Assignment.

Assignor further agrees to execute all paperwork and provide any other requested, non-monetary assistance in procuring, perfecting, enforcing, and/or defending Assignee's rights in the rights assigned herein.

Date 9/12/17

John M. Rosen

The Children's Mercy Hospital hereby declares that it accepts the rights and property hereby assigned and transferred to it.
