ASSIGNMENT

WHEREAS, I, Bernhard OSWALD, of Kapfenberg, Austria, ("Assignor"), have invented certain new and useful improvements in SAFETY LOAD HOOK, for which an application for Letters Patent of the United States has been made, and which may be identified in the United States Patent Office by Application No. 16/786,865, filed February 10, 2020;

WHEREAS, pewag austria GmbH, ("Assignee"), a business entity organized and existing under the laws of the Country of Austria, and having its principal offices at Mariazeller Strasse 143, 8605 Kapfenberg, Austria, is desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefor;

NOW, THEREFORE, for and in consideration of good and valuable consideration paid by Assignee to Assignor, the receipt and sufficiency of which is hereby acknowledged by me, I have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Assignee, its successors and assigns, my entire right, title and interest in and to said invention, said application, all applications claiming priority to said application including all divisions, continuations or renewals thereof, and the Letters Patent, both foreign and domestic, that may or shall issue therefrom, including all reissues or extensions of such patents including all of my rights under the International Convention and further including the right to sue, counterclaim and recover for past, present and future infringement of the rights assigned or to be assigned, as fully and entirely as the same would have been held by the Assignor if this assignment had not been made, and I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above mentioned Assignee in accordance herewith.

I hereby authorize the above-mentioned Assignee, its successors and assigns, or anyone it may properly designate, to insert in this instrument the date of execution and/or filing date and application number of said application when ascertained.
