(hereinafter referred to as the "Inventions")

and

WHEREAS,

DH2PM2 LLC
a Limited Liability Corporation of the Commonwealth of Pennsylvania
having offices at:
1007 Violet Terrace
Waverly Township, PA 18411

(hereinafter referred to as the "Assignee"), desires to document its ownership in its entire right, title, and interest in and to the Inventions, and in and to any Letters Patent that may be granted therefor;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and of other good and valuable considerations, receipt of which is hereby acknowledged by me, I, intending to be legally bound, do hereby acknowledge *nunc pro tunc* that as of March 29, 2019 I did thereupon sell, assign, and transfer to the Assignee and Assignee's legal representatives my entire right, title, and interest (namely, my 100% interest) together with all rights of priority, in the Inventions, as described and/or claimed in the aforesaid applications for patent and any and all applications for Letters Patent in any country or jurisdiction, based in whole or in part thereon, including divisions, continuations, and continuations-in-part thereof as well as all foreign counterparts and all applications containing disclosure in common therewith, together with all Letters Patent in any country or jurisdiction arising from any of the aforesaid applications, as well as any and all reissues and reexaminations thereof, the same to be held and enjoyed by Assignee, its successors and assigns, to the full ends of the terms of all said Letters Patent therefor which may be granted.

I, David Hazzouri, Assignor, hereby represent and warrant that I have the full right and power to convey the entire rights, titles, and interests hereby assigned and that I have not made and will not make any agreement in conflict herewith.

I, David Hazzouri, Assignor, hereby authorize and request the Patent Office officials in the United States and all other foreign countries or jurisdictions to issue any and all of said Letters Patent, when granted, to Assignee, as the Assignee of my entire right, title, and interest in and to the same, for the sole use and benefit of Assignee, its successors and assigns. I hereby authorize the Assignee to make applications for and to receive Letters Patent for the Inventions in any foreign countries or jurisdictions in its own name as Applicant.

Further, I hereby agree to communicate to Assignee, or its representatives, any facts known to me respecting the Inventions, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, substitution, renewal, reissue, and related United States and foreign applications and declarations relating thereto, execute all necessary claims of priority and assignment papers to cause any and all of said Letters Patent to be issued to Assignee, make all rightful oaths, and generally to do everything possible to aid Assignee, its successors and assigns, to obtain and enforce protection for the Inventions in the United States

and in any and all foreign countries or jurisdictions. The rights and property herein conveyed by me are free and clear of any encumbrances.

I hereby authorize Gerry J. Elman, Registration No. 24,404, of the firm Elman Technology Law, P.C., to correct errors in this Assignment document and to insert any further identification or information necessary or desirable to make this Assignment recordable in the United States Patent and Trademark Office, or elsewhere.

If any provision of this document should be found invalid or unenforceable under relevant law, such provision shall be deemed excluded and redacted herefrom, and the validity and enforceability of the remaining provisions shall not be affected thereby.

The undersigned, hereby executes, grants and delivers the assignment:
