ASSIGNMENT OF PATENT & INVENTION RIGHTS

WHEREAS, NGP AUTOMATION, LLC, f/k/a CORNERSTONE AUTOMATION SYSTEMS, LLC, a Texas limited liability company ("Assignor"), is the owner of the entire right, title and interest in and to those certain United States Patents and United States Patent Applications as identified on Schedule A (collectively, the "Patents"), and the inventions therein disclosed and claimed (collectively, the "Inventions");

WHEREAS, CORNERSTONE AUTOMATION SYSTEMS, LLC, a Texas limited liability company limited liability company ("Assignee"), having its principal offices at 16601 Clarence Dr. Frisco, TX 75033 is desirous of acquiring the entire right, title and interest in and to said Patent Applications and the Inventions;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby sells, transfers, assigns and sets over to Assignee the entire right, title and interest in and to said Patents, Patent Applications (including any patents that may be granted in connection therewith) and the inventions as described and/or claimed in the Patents and Patent Applications (the "Inventions") in the United States and throughout the world, including any continuations, divisions, reissues and extensions thereof, together with all causes of action and rights of recovery for damages by reason of past, present or future infringement thereof, and all income, royalties or payments due after the date hereof.

Assignor hereby further authorizes Assignee to make applications for, to prosecute such applications, and to receive patents for the Inventions in the United States and any foreign countries, in Assignee's name.

Assignor hereby promises and agrees that Assignor will execute or procure any further necessary assurance of title to the Inventions and any patents which have or may be issued on the Inventions. Assignor will, at any time, upon the request and without further consideration, but at the expense of Assignee, execute all papers and do all other things that may be necessary or desirable to perfect the title to the Inventions, or any patents which are or may be granted therefore, in Assignee, its successors, assigns, or other legal representatives.

IN WITNESS WHEREOF, this instrument has been executed this 12 day of February 2020 by the undersigned.
