**ASSIGNMENT, OATH, AND DECLARATION**

For valuable consideration, we, **Hui Li** of Tallahassee, Florida; **Yu Zhang** of Tallahassee, Florida; and **YanJun Shi** of Tallahassee, Florida, hereby declare that the below-identified patent application was made or authorized to be made by us and that we believe that we are original joint inventors of a claimed invention in the patent application and hereby assign to **The Florida State University Research Foundation, Inc.**, a corporation of Florida, having a place of business at 2000 Levy Ave, Building A, Suite 351, Tallahassee, Florida 32310, and its successors and assigns (collectively hereinafter called “the Assignee”), the entire right, title, and interest throughout the world in the inventions and improvements that are subject of an application for United States Patent, titled “SYSTEM, METHOD AND DEVICE FOR REFLECTED WAVE CANCELLATION,” filed November 22, 2019, and assigned U.S. Patent Application No. 16/692,222, (and We authorize and request the attorneys appointed in said application to hereafter complete this assignment by inserting above the filing date and serial number of said application when known), which claims benefit of U.S. Provisional Application No. 62/806,469 filed February 15, 2019; this assignment including said application, any and all divisional, continuing, substitute, renewal, reissue, and all other applications for patent that have been or shall be filed in the United States and all foreign countries on any such inventions or improvements; all original and reissued patents that have been or shall be issued in the United States and all foreign countries on such inventions or improvements; and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our name or in its own name for patents, utility models, design registrations, and like rights of exclusion and for inventors’ certificates for said inventions and improvements; and we agree for ourselves and our respective heirs, legal representatives, and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.

We hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.
