## ASSIGNMENT

WHEREAS, I, Daniel J. Parry of 148 Overholt Drive, Perkasio, Pennsylvania 18944 hereafter the "Assignor", having invented certain new and useful improvements disclosed in a non-provisional patent application to the United States Patent and Trademark Office entitled **Wound Box Trainer** filed January 10, 2019 under application no. 16/244,735.

AND WHEREAS, Techline Technologies, Inc. of 668 Davisville Road, Willow Grove, Pennsylvania, hereafter the "Assignee", wants to acquire the entire right, title and interest in and to said improvements and application.

NOW, THEREFORE, in consideration of one (1) U.S. dollar, and other good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over to Assignee the entire right, title, and interest in and to (together with the right to sue and recover for past, present, and future infringement) said improvements, and said application and all non-provisionals, divisions, substitutions, continuations and continuations-in-part claiming priority thereof, and all United States Letters Patents which may be granted thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for said improvements in any foreign countries, and all patents (including all extensions, renewals, and reissues thereof) granted for said improvements in any foreign countries; and I hereby authorize and request the United States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty it is to issue patents on applications as aforesaid, to issue all patents for said improvements to Assignee in accordance with the terms of this assignment;

AND I HEREBY covenant that I have full right to convey the entire interest herein assigned, and I have not executed, and will not execute, any agreement in conflict herewith;

AND I HEREBY further covenant and agree that I will communicate to Assignee all facts known to me respecting said improvements, and testify in all legal proceeding, sign all lawful papers, execute all provisional, non-provisional, divisional, continuation, continuation-in-part, substitute, reissue, PCT, foreign, and all other applications, make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for said improvements in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand this 21 day of FEBRUARY, 2019.

Daniel J. Parry (Assignor)
