CORRECTIVE DOCUMENT

Dear Commissioner:

Applicant respectfully requests correction of (1) a typographical error to the company name of the assignee listed on the assignment documents recorded at reel/frame number 018139/0422 in the United States Patent & Trademark Office (USPTO) assignment database in the matter of U.S. Patent No. 9,675,495 and (2) a typographical error to inventor Ido Kilemnik's last name recorded in the USPTO assignment database.

Correction of Assignee Name in Assignment Document

Applicant respectfully requests correction of a minor typographical error to punctuation of the company name of the assignee, Safe Surgery Technologies LLC, in the assignment cover sheet and assignment document recorded at reel/frame numbers 018139/0422 and 018139/0423, respectively, for U.S. Patent Application No. 11/401,761, which has since issued as U.S. Patent No. 9,675,495. A declaration by David Scott Michelson, president of Safe Surgery Technologies LLC, attesting to the typographical error and requesting its correction is submitted herewith.

Correction of Inventor Name in Assignment Database

Applicant respectfully requests correction of inventor Ido Kilemnik's last name in the USPTO's assignment database. The cover sheet of the originally filed assignment submission recorded on July 31, 2006 at reel/frame number 018139/0422 and the USPTO assignment

U.S. Patent No. 9,675,495

database erroneously list the name as “Kilmenik.” The signed assignment document filed along with the erroneous cover sheet and recorded on July 31, 2006 at reel/frame 018139/0423 reflects the correct spelling of “Kilemnik.” A copy of the originally recorded assignment document and a corrected copy of the cover sheet of the assignment submission are submitted herewith.

Correction of the abovementioned typographical error in the USPTO’s assignment database is respectfully requested.

CONCLUSION

Applicant respectfully requests that the corrections to the assignment records identified herein and in the declaration of David Scott Michelson submitted herewith be entered. Applicant believes there is no fee due under 1.12(h). However, if the Applicant is incorrect in its understanding, please charge any additional fees due to Deposit Account No. 23-2415, referencing Docket No. 57026-700.

Respectfully submitted,
