PATENT ASSIGNMENT AGREEMENT

This Patent Assignment Agreement (this “**Agreement**”) is entered into as of September 21, 2018, (the “**Effective Date**”), by and between Pet Wireless, Inc., a Delaware corporation (the “**Assignor**”) and Nestec LTD, société anonyme organized under the laws of Switzerland (the “**Assignee**”).

WHEREAS, the Assignor and the Assignee have entered into the Asset Purchase Agreement, dated September 21, 2018, pursuant to which the Assignor has agreed to assign to the Assignee certain patents and patent applications.

NOW, THEREFORE, in consideration of the foregoing and the mutual promises herein contained, the parties agree as follows:

ARTICLE 1 ASSIGNOR PATENTS

“Assignor Patents” shall mean (i) the patents and patent applications listed on Schedule 1, along with any patent applications from which any such patents or patent applications claim priority, directly or indirectly; and (ii) any patents, patent applications, national phase applications, extensions, divisions, continuations, continuation-in-parts, reexaminations, reissues, and foreign counterparts that claim priority from any patents or patent applications set forth in section (i) above.

ARTICLE 2 ASSIGNMENT

The Assignor assigns, transfers and conveys to the Assignee all of the Assignor’s rights, title and interest throughout the world in and to the Assignor Patents, the underlying inventions described therein, and all rights, claims and privileges pertaining to the Assignor Patents, including rights to all past, present, and future causes of action and damages relating to the Assignor Patents.

ARTICLE 3 MISCELLANEOUS

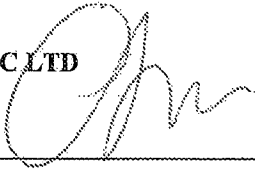

All capitalized words and terms used in this Agreement and not defined herein shall have the respective meanings ascribed to them in the Purchase Agreement. This Agreement shall be governed by and construed in accordance with the internal Laws of the State of Delaware, without giving effect to any choice or conflict of Law provision or rule (whether of the State of Delaware) or any other jurisdiction) that would cause the application of Laws of any jurisdictions other than those of the State of Delaware. This Agreement may be executed in counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have entered into this Agreement as of the date first written above.
