CONFIRMATORY ASSIGNMENT

WHEREAS HARRY LEE WAINWRIGHT, whose full post office address is 345 Kakogawa Cho, Unit 1005, Kakogawa, Hyogo 6750066, Japan (hereinafter "the Assignor"), is the sole inventor of an invention disclosed in United States Patent No. 8,217,922, issued on July 10, 2012, entitled "SYNCHRONIZED VISUAL AND AUDIO APPARATUS AND METHOD" (hereinafter "the Patent");

AND WHEREAS, pursuant to a Patent Acquisition Agreement between the parties entered into on January 24, 2020 (hereinafter "the Patent Agreement"), NEXTOY, LLC (hereinafter "the Assignee"), a corporation having an office at 7 Whippoorwill Close, Chappaqua, NY 10514, United States of America, has acquired from the Assignor, the Assignor's entire right, title and interest in and to the invention, in all countries of the world, including the Assignor's rights to the Patent and all related applications and patents thereon, including any and all international, national and regional phase applications based on the Patent, and other counterpart applications in all countries, and any and all substitutes, divisionals, continuations and continuations-in-part, and any Letters Patent that may be obtained therefor, and in any and all reissues, extensions, renewals and reexaminations of such applications and patents, including the right to claim priority to the Patent, and to all related applications and patents thereon filed by the Assignors or Assignee, including the benefit of any right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and the benefit of any right of priority provided by any convention or treaty under domestic or foreign law, and to invoke and claim any such right of priority without further written or oral authorization from the Assignor;

NOW THEREFORE, for the legally sufficient consideration set out in the Patent Agreement, and other valuable and legally sufficient consideration, the receipt and sufficiency of all of which is hereby acknowledged, the Assignor hereby confirms that the Assignor has assigned, and to any extent not done, does hereby sell and assign, transfer and set over to the Assignee, all of the Assignor's right, title and interest for Canada, the United States of America, its territories, dependencies and possessions, and for all other countries in the world, in and to the invention, including the Assignor's rights to the Patent, and all related applications and patents thereon, including the right to claim priority to the Patent and to all related applications and patents thereon, to be held and enjoyed by the Assignee, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by the Assignor, had this Assignment not been made.

The Assignor hereby confirms that the Patent was made or was authorized to be made by the Assignor and that the Assignor believes himself to be the original inventor of a claimed invention in the Patent.

The Assignor shall without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain the Patent for the invention, and all related applications and patents thereon, in any and all countries, and to vest title thereto in the Assignee, its successors, assigns and legal representatives or nominees.

The Assignor and the Assignee authorize and empower Bereskin & Parr LLP/S.E.N.C.R.L., s.r.l., whose complete address is Scotia Plaza, 40 King Street West, 40th Floor, Toronto, Ontario M5H 3Y2, Canada, to insert on this Assignment any further identification, to prepare any translation which may be necessary or desirable in order to comply with the rules for recordation of this document in any country and to correct any clerical error in this Assignment.

If a provision of this Assignment is or becomes illegal, invalid or unenforceable in any jurisdiction, that shall not affect the validity or enforceability in that jurisdiction of any other provision of this Assignment, or the validity or enforceability in other jurisdictions of that or any other provision of this Assignment.

This Assignment may be executed in any number of counterparts and all of such counterparts shall together constitute one and the same instrument.
