ASSIGNMENT

WHEREAS We, are the below-named inventors (hereinafter referred to as Assignors), of a patent application entitled:

SYSTEMS AND METHODS FOR ANALYSIS OF SURGICAL VIDEOS

filed as PCT/US2020/019050 on February 20, 2020 ("the PCT Application"), and;

WHEREAS, **Theator Inc.** a corporation of Delaware whose post office address is 400 Concar Dr., San Mateo, CA, 94402 (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to each and every invention described in the PCT Application, including but not limited to each and every invention claimed in the PCT Application (collectively referred to herein as "the Disclosed Inventions") in all countries throughout the world, and in and to all applications for patents thereon in all countries throughout the world, including any PCT national stage applications based thereon that may be filed, and all PCT International Application and all national stage applications based thereon that may be filed, and all patents issued upon such applications in all countries throughout the world;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, We, as Assignors, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my/our entire right, title, and interest in and to the Disclosed Inventions as described and/or claimed in any and all of the above-referenced applications, any and all national stage applications based thereon that may be filed, any other applications for patents filed anywhere in the world that claim any of the Disclosed Inventions, and all divisions, and continuations of any such application, and all patents which may be granted thereon, and all reissues thereof, and all rights to claim priority in any country on the basis of any such applications, and all extensions, renewals, and reissues thereof; and We hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any other country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for the Disclosed Inventions to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, WE covenant that We have the full right to convey the interest assigned by this Assignment, and We have not executed and will not execute any agreement in conflict with this Assignment;

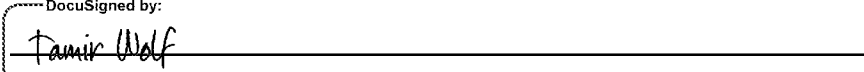

AND, WE further covenant and agree that We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me/us respecting the Disclosed Inventions, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to any and all of the Disclosed Inventions in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for the Disclosed Inventions in the United States and any other country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, We have hereunto set our hands.
