ASSIGNMENT

WHEREAS I, **BENJAMIN KECK**, residing at Heidenheim, Germany, have invented certain new and useful improvements in a

PIPE AXIAL PUMP

described in International Application No. PCT/EP2018/071994, filed August 14, 2018, and for which an application for Letters Patent of the United States of America was executed on the date of execution of this assignment;

WHEREAS, **VOITH PATENT GMBH** (hereinafter Assignee), a German limited liability company doing business at Heidenheim, Germany is desirous of acquiring the entire interest in and to the invention, and in any and all Letters Patent of the United States that may be obtained therefor;

NOW, THEREFORE, be it known that for sufficient consideration, the receipt and sufficiency whereof are hereby acknowledged, I have sold, assigned and transferred, and by these presents do sell, assign and transfer unto the said Assignee, its legal representatives, successors and assigns, the full and exclusive right in and to the said invention as fully set forth and described in the above-mentioned application, and to the application and any and all divisions and continuations thereof, and any and all Letters Patent of the United States which may be granted therefor, and any and all reissues of the Letters Patent, the same to be held and enjoyed by the said Assignee, its legal representatives, successors and assigns, to the full end of the term, for which the Letters Patent may be granted or may be reissued or extended, as fully and entirely as the same would have been held by me, had this assignment and sale not been made.

AND I hereby authorize the said Assignee to make an application for Letters Patent and the Director to issue any and all Letters Patent of the United States on the invention or resulting from the application and from any and all divisions and continuations thereof to the said Assignee, as the assignee of the entire right, title and interest in and to the same.

BENJAMIN KECK (L.S.)
