ASSIGNMENT

WHEREAS, CERAVIC, a French corporation having its principle place of business at 11 Place de la republique, 65500 Vis En Bigorre, France ("Assignor") the owner of the patent applications (the "Patent Applications") set forth on Schedule A attached hereto, the inventions described and claimed therein (the "Inventions"); and

WHEREAS, VEXIM, a French corporation having a principle place of business at 10, rue Hermes, 31240 L'Union, France ("Assignee"), is desirous of acquiring the entire right, title and interest of Assignor in and to said Patent Applications, Inventions and Patents.

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, BE IT KNOWN, that for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby assign, transfer and convey, unto said Assignee, its successors and assigns, its entire right, title and interest in and to the Patent Applications as set forth and described in Schedule A attached hereto, the Inventions, and any patents ("Patents") issuing therefrom, and all divisions, continuations, continuations-in-part, extensions, reissues, re-examinations and renewals of such Patent Applications and Patents in any country of the world, pursuant to the domestic laws of each respective country in which such Patent Applications are filed or such Patents issue, as may be applicable; together with all claims for damages by reason of past infringement, with the right to sue for, and collect the same for the use of Assignee, its successors and assigns.

Assignor hereby authorizes and requests any official of the respective country for such Patent Applications or such Patents, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

Assignor hereby covenants and agrees that it has full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith.

ASSIGNMENT

IN WITNESS WHEREOF, Assignor has executed and delivered this Assignment
as of 12.06, 2006.
