## PATENT ASSIGNMENT

This ASSIGNMENT ("Assignment") is effective as of 21 December 2015 by and between Michael S. Hartman, an individual whose address is 201 Sweitzer Road, Sinking Spring, PA 19608 (the "Assignor"), and Hartman Design, Inc., a corporation organized under the laws of the Commonwealth of Pennsylvania, whose address is 51 North Elm Street Wernersville, PA 19565 (the "Assignee").

WHEREAS the Assignor owns the patent applications and patents which are listed on attached Schedule A to this Assignment (the "Patent Rights") and has agreed to assign to the Assignee all of its right, title and interest in and to the Patent Rights;

NOW THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor hereby assigns, sells, and transfers to Assignee, its assigns and successors, the entire right, title and interest in and to the Patent Rights, including any and all divisional applications, continuation applications, continuations-in-part, reissues, reexaminations thereof, all pending applications therefor, the entire rights, title and interest in all applications for patents, utility models and designs, which may hereafter be filed in United States, Canada or elsewhere for any inventions covered by the Patent Rights, together with the right to file such applications and the right to claim any priority rights derived therefrom, together with all rights of actions and rights to recover for damages, profits and costs arising from any past, present and future infringements of the Patent Rights, the same to be held and enjoyed by Assignee, as fully and completely as by Assignor had this Assignment not been made.

ASSIGNOR further agrees that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said Patent Rights as may be known and accessible to ASSIGNOR, and that ASSIGNOR will, at ASSIGNEE's expense, testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to ASSIGNEE, its assigns or its legal representatives, without further or additional consideration, any and all papers, instruments or affidavits required, render all necessary assistance, and do such additional acts as ASSIGNEE may deem necessary or desirable, to apply for, obtain, maintain, issue and enforce Patent Rights which may be necessary or desirable to carry out the purposes thereof.

ASSIGNOR hereby authorizes the United States Patent and Trademark Office and all other patent offices to issue or transfer said Patent Rights to Assignee, as assignee thereof, or otherwise as Assignee may direct.

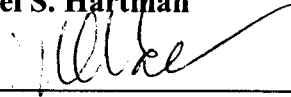

ASSIGNOR further agrees, from time to time, to make, do, and execute, or cause to be made, done, or executed all such further acts, deeds, assurances, or things that may reasonably be required to give effect to the foregoing provisions.

ASSIGNOR further agrees that these provisions are binding upon any of the Assignor's legal heirs, legal representatives, administrators, successors and assigns.
