WHEN RECORDED RETURN TO:

DURHAM JONES & PINEGAR
111 South Main Street, Suite 2400
Salt Lake City UT 84111

WHEREAS, James J. Kaddas of Salt Lake City, Utah ("Assignor"), has invented a certain new and useful invention entitled ELECTRICAL COMPONENT COVER, the application for United States Letters Patent which is identified above; and

WHEREAS, Kaddas Enterprises Inc., a corporation of the State of Utah, having a business address of 255 North Apollo Road, Suite 500, Salt Lake City, UT 84116 ("Assignee"), is desirous of acquiring the entire right, title, and interest in the same;

NOW, THEREFORE, in consideration of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, the said Assignor, by these presents, does sell, assign, and transfer unto said Kaddas Enterprises Inc., the full and exclusive right to the said invention and in and to said application, any right the Assignor may have in any prior application, including provisional applications, to which priority is claimed in said application and any and all non-provisional applications including all divisions and continuations, substitutes and reissues of said application and the entire right, title, and interest in, to and under any and all Letters Patent of the United States and foreign countries that may issue or be granted on said invention, including any rights to claim priority.

The Assignor hereby authorizes the Assignee to apply for and receive any and all United States and foreign patents relating to such improvements in its own name.

The Assignor hereby authorizes and requests the issuing authority to issue any and all United States and foreign patents granted on such improvements to and in the name of the Assignee.

The Assignor warrants and covenants that no assignment, grant, mortgage, license or other agreement or encumbrance affecting the rights and property herein conveyed has been or will be made or entered into by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned.

When requested by and at the expense of the Assignee, the Assignor covenants to carry out in good faith the intent and purpose of this agreement, to execute all non-provisional, divisional, continuing, substitute, renewal and reissue, and all other patent applications relating to any and all improvements relating to the invention; to execute all rightful oaths, declarations, assignments, powers of attorney and other papers; to communicate to the Assignee all facts and provide to the Assignee all documents and things known and accessible to the undersigned relating to such improvements and the history thereof, and testify as to the same in any interference, litigation or other proceeding relating thereto; and generally to do everything which the Assignee shall consider desirable for vesting title to such improvements in the Assignee, and to secure, maintain, defend and enforce valid and enforceable patent protection for the invention.

The Assignor hereby agrees and acknowledges that the sale, assignment and transfer of rights and property set forth herein is and shall be irrevocable and binding
