**ASSIGNMENT**

THIS ASSIGNMENT, made by us, **David Buffington**, a citizen of the United States of America, residing at 111 White Poplar Drive, Elon, North Carolina 27244; and **Gary Kevin Hyde**, a citizen of the United States of America, residing at 8 Monet Drive, Greenville, South Carolina 29609;

WITNESSETH: That,

WHEREAS, we are joint inventors of certain new and useful improvements in **ACRYLIC COMPOSITIONS INCLUDING A HINDERED AMINE LIGHT STABILIZER** AND METHODS OF MAKING AND USING THE SAME for which International Application No. PCT/IB2018/056222 was filed on August 17, 2018 in the United States Patent and Trademark Office as the International Receiving Office (hereinafter "said application");

WHEREAS, we have previously assigned our rights in the priority application(s) for said application to Glen Raven, Inc., but we wish for a more complete record to confirm our prior assignment and, to the extent applicable, to assign any remaining right, title, and interest in and to said invention as described in said application; and

WHEREAS, **Glen Raven, Inc.**, a corporation having a principal place of business at 1831 North Park Avenue, Glen Raven, North Carolina, 27217, hereinafter referred to as assignee, is desirous of acquiring the entire right, title and interest in and to said invention as described in said application, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

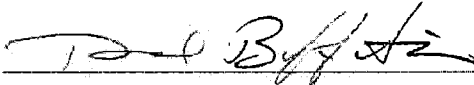

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold and by these presents do hereby sell, assign, transfer, and convey unto the said assignee, its successors and assigns, the entire right, title, and interest in and to the said invention and application, and in and to any and all subsequent patent applications which claim the benefit of priority from said application including regular utility, continuations, and continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted for the invention in or on applications claiming the benefit of priority from said application, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereof or therefor, together with the right to claim the benefit of priority from said application in all

foreign countries in accordance with the International Convention, the same to be held and enjoyed by said assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.

We further covenant and agree that, at the time of the execution and delivery of these presents, and to the extent such rights have not already been conveyed to the assignee, we possess full title to the invention and application above-mentioned, and that we have the unencumbered right and authority to make this assignment.

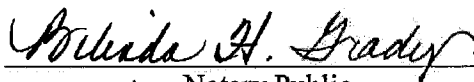

We further covenant and agree to promptly communicate to said assignee or its representatives any facts known to us relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the assignee, its representatives, successors, or assigns to secure patent or similar protection for the said invention in all countries and to vest in the assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said assignee, its successors, assigns, and other legal representatives; and we hereby instruct, and further covenant and agree to bind our heirs, legal representatives, and assigns, to do same, without further compensation, but at the expense of said assignee or its representatives.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on this 4<sup>th</sup> day of February, 2020.
