**ASSIGNMENT**

Whereas, I, BRENT BLOEMENDAAL, a citizen of the United States of America, residing at 9079 MALLARD POINT, ZIONSVILLE, IN 46077 have made an invention in

**STORAGE BIN VENTILATION SYSTEM AND APPARATUS**

for which a United States provisional patent application based on my said invention was filed on March 8, 2019 and was assigned 62/815,804 (hereinafter said provisional application is called "said application" and labeled Attorney Docket No. 50233);

Now, therefore, for good and valuable consideration, the receipt and adequacy and sufficiency of which are hereby acknowledged, I have agreed to assign and transfer and do hereby assign and transfer unto

**SIOUX STEEL COMPANY**

(hereinafter called "Company"), a corporation of SOUTH DAKOTA having its principal office at 196½ East 6<sup>th</sup> Street, Sioux falls, SD 57104, and a mailing address of P.O. Box 1265, Sioux Falls SD 57101-1265, its successors and assigns, the entire right, title and interest in and to the said invention and said application and said patent, and in and to any non-provisional utility, division or continuation or continuation-in-part of said application, and in and to any and all improvements in the said invention made by me alone or jointly with others, and in and to any and all Letters Patent and reissues and extensions thereof of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in Foreign countries in its own name and to claim any and all priority rights for such foreign applications to which such applications are or may be entitled under international conventions, treaties, or otherwise) which have been or may be granted on said application or on any non-provisional, divisional, continuation (in whole or in part), renewal, reissue or other or further application based in whole or in part upon the said invention or improvements thereon, to be held and enjoyed by said Company as fully and exclusively as they would have been by me had this assignment and transfer not been made;

I further agree for myself and for my heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments and documents, and to perform such other lawful acts, that may be deemed necessary by the aforesaid Company, its successors, assigns and nominees, fully to secure its

interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

And I do hereby authorize and request any official whose duty it is to issue patents, to issue any and all patents as may be granted upon any of the aforesaid applications to the aforesaid Company, as the assignee of the entire interest therein.

I hereby further warrant that I have not knowingly conveyed to others any right in said inventions, discoveries, applications or patents or any license to use the same or to make, use or sell anything embodying or utilizing any of said inventions or discoveries; and that I have good right to assign the same to Company without encumbrance.

I also hereby assign in all countries of the world any and all of my right, title and interest in and to any and all copyright property appertaining any drawings or other materials relating to the tangible means of expression and illustration of the said inventions and discoveries.

In witness whereof, I have hereunto signed my name on the day and year set forth below.

*Brent Bloemendaal*
