ASSIGNMENT

WHEREAS, Zhao Jian Quan, having an address of Factory No.2, Building B, Yuan Zai Shan Industrial Zone, Xing Chang Village, Tang Xia Town, Peng Jiang District, Jiang Men City, Guang Dong Province, China; and Philip Allen having an address of Building 9, 256 New Line Road, Dural NSW 2158 Australia (hereinafter referred to as Assignors), have invented a certain new, original, and ornamental design for a CEILING FAN, for which a United States design application was filed on November 27, 2019, Serial No. 29/715,087, which claims priority from Australian Design Application No. 201912859, filed May 27, 2019.

WHEREAS, Hunter Pacific International Pty Ltd., a corporation of Australia, having a place of business at Building 9, 256 New Line Road, Dural NSW 2158 Australia (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent, including Design Patents, that may be granted therefor in the United States and in any and all foreign countries.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and for other good and valuable considerations, Assignors hereby sell, assign and transfer unto said Assignee the full and exclusive right, title and interest to the said invention in the United States and in all foreign countries and the entire right, title and interest in and to any and all Patents, including Design Patents, which may be granted therefor in the United States and in any and all foreign countries and in and to any and all divisions, reissues, continuations, continuation-in-part, and extensions thereof, based on the above-referenced design application, including the full right to claim for any such applications the benefits of the International Convention.

Assignors hereby authorize and request the Patent Office Officials in the United States and in any and all foreign countries to issue any and all of said Patents, when granted, to said Assignee as the owner of the entire right, title and interest in and to the same, for the sole use and behoof of said Assignee, its successors and assigns.

FURTHER, Assignors agree to communicate to said Assignee or its representatives any facts known to Assignors respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, substitution, renewal, and reissue applications, execute all necessary assignment papers to cause any and all of said Patents to be issued to said Assignee, make all rightful oaths and generally do everything possible to aid said Assignee, its successors and assigns, to obtain and enforce proper protection for said invention in the United States and in any and all foreign countries.
