ASSIGNMENT

For \$1 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I/we, the/an undersigned Assignor(s),

Brian S. White, 3860 State Route 309, Galion, OH 44883

James J. Collene, 5132 Flickinger Road, Bucyrus, OH 44820

who has/have created a certain invention for which an application for United States Letters Patent has been filed in the U.S. Patent and Trademark Office on August 1, 2019, said application now assigned Serial No. 16/529,688 and entitled **HINGE ASSEMBLY WITH SLOW CLOSE AND/OR SLOW OPEN CHARACTERISTICS**, do hereby sell, assign and transfer, or confirm having previously sold, assigned, and transferred, to **Mansfield Engineered Components, Inc.** (hereinafter referred to as Assignee), **an Ohio corporation** having a principal place of business at **1776 Harrington Memorial Road, Mansfield, Ohio 44903**, its successors, assigns, and legal representatives, the full and exclusive right to said invention and said application(s) and to any and all inventions described in said application(s) for the United States, its territorial possessions and all foreign countries, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States, its territorial possessions and all foreign countries; and in and to any and all continuations-in-part, continuations, divisions, conversions, substitutes, reissues, extensions thereof, and all other applications for Letters Patent relating thereto or claiming priority therefrom or benefit of the filing date thereof which have been or shall be filed in the United States, its territorial possessions and/or any foreign countries, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, acts, and treaties, including all future conventions, unions agreements, acts, and treaties;

agree that Assignee, may apply for and receive Letters Patent for said invention in its own name, in the United States, its territorial possessions, and all foreign countries; and that, when requested to carry out in good faith the intent and purpose of this Assignment, I/we will execute all conversions, continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, execute all rightful declarations, oaths, assignments, powers of attorney and other papers, testify in any legal or quasi legal proceedings; communicate to said Assignee, its successors, assigns and/or legal representatives all facts known to me relating to said invention and the history thereof; and generally do everything possible which said Assignee, its successors, assigns, or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and for vesting title to said invention and all applications for patents on said invention in said Assignee, its successors, assigns, and/or legal representatives, all without requiring further consideration from Assignee; and

covenant with said Assignee, its successors, assigns, and/or legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein

conveyed has been made to others by me, and that full right to convey the same as herein expressed is possessed by me.
