Assignment of Assignor's Interest

Elist Trust ("Assignor") is owner of U.S. Patent No. 6,537,204 issued on March 5, 2003, titled "Structural Penile Implant," (the "'204 patent").

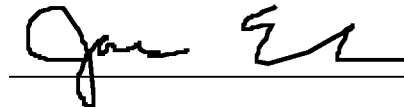

Menova International, Inc. ("Assignee") desires to acquire rights in and to the '204 patent.

Therefore, for valuable consideration, the receipt of which is acknowledged, Assignor hereby assigns to Assignee, all of Assignor's right, title and interest in the '204 patent including all reissues, reexaminations, and extensions thereof, and any rights, title and interest that existed or may have existed in connection with the '204 patent prior to the execution date of this Assignment, including any and all rights to enforce or sue for past infringement of the '204 patent and recover damages for any such past infringement.

Assignor hereby represents and warrants that it has not executed any other agreement that would conflict with the terms of this Assignment, nor shall it execute any such agreement in the future.

IN WITNESS WHEREOF, the parties have caused this Assignment to be executed on the date written below.

Assignor: Elist Trust
