ASSIGNMENT

Serial No: 29704,253

Filed: September 3, 2019

Title: Cover For Use With A Vehicle Restraint Hook

For good and valuable consideration, the receipt and sufficiency thereof are hereby acknowledged, the undersigned Assignor(s) hereby assign to RITE-HITE HOLDING CORPORATION, a Wisconsin corporation, 8900 North Arbon Drive, Milwaukee, Wisconsin, 53223-2451 (hereinafter "Assignee"), its Successors and Assigns, the entire right, title and interest in the invention or improvements of the undersigned as disclosed or to be disclosed in the above referenced patent application for Letters Patent of the United States (which may be a Patent Cooperation Treaty international application designating the United States), and in said application and any and all other applications, United States, international and/or foreign, which the undersigned Assignor(s) or the Assignee may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and/or foreign countries, which may be obtained on any of said applications, and in any renewal or extension thereof. This Assignment includes all rights associated with said application including, without limitation, all patent right(s) in any and all countries and all right(s) to claim priority to and/or from said application in any and all countries. No rights whatsoever are reserved to the undersigned Assignor(s) but instead all rights are hereby transferred to the Assignee. This Assignment is governed by the Law of the State of Illinois, United States of America.

The undersigned Assignor(s) hereby authorizes and requests the Commissioner of Patents and Trademarks to issue said Letters Patent to said Assignee.

The undersigned Assignor(s) hereby authorizes and requests the attorneys of record in said application to insert in this assignment the execution date and/or filing date and serial number of any such application(s) when officially known.

The undersigned Assignor(s) warrants himself/herself to be the owner of the interest herein assigned and to have the right to make this Assignment and further warrants that there are no outstanding prior assignments, licenses, or other rights in the interest herein assigned.

For said consideration the undersigned Assignor(s) hereby agrees, upon the request and at the expense of said Assignee, its Successors and Assigns, to execute any and all international, divisional, continuation, continuation-in-part and substitute applications for said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the renewal or extension of any Letters Patent that may be granted upon said application, and any and all applications and other documents for Letters Patent in foreign countries on said invention or improvements, that said Assignee, its Successors or Assigns, may deem necessary or expedient, and
