## ASSIGNMENT

WHEREAS, I, Vanessa Soros, ASSIGNOR, citizen of Canada, with a mailing address at Tizona Therapeutics, 4000 Shoreline Court, Suite 200, South San Francisco, CA, 94080, in relation to the invention for which an application for patent has been filed on January 30, 2020, as U.S. Application No. 16/635,526 (Docket No. 117851.00075), entitled **ANTI-CD39 ANTIBODIES, COMPOSITIONS COMPRISING ANTI-CD39 ANTIBODIES AND METHODS OF USING ANTI-CD39 ANTIBODIES**,

and WHEREAS, Tizona Therapeutics, a corporation organized and existing under the laws of the state of Delaware, and having an office at 4000 Shoreline Court, Suite 200, South San Francisco, CA, 94080, herein referred to as "ASSIGNEE," is desirous of obtaining my entire right, title, and interest in, to, and under the invention and application.

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, I, ASSIGNOR, have sold, assigned, transferred, and set over, and by these presents do hereby sell, assign, transfer, and set over, unto the ASSIGNEE, its successors, legal representatives, and assigns, my entire right, title, and interest in, to, and under the invention, and the application and all applications claiming priority thereto and all divisions, renewals, and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for the invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates, and designs which may be granted for the invention in any country or countries foreign to the United States and all extensions, renewals, and reissues thereof;

AND I HEREBY authorize and request the Commissioner for Patents and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the ASSIGNEE, its successors, legal representatives, and assigns, in accordance with the terms of this instrument;

AND I HEREBY covenant and agree that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith;

AND I HEREBY further covenant and agree that I will communicate to the ASSIGNEE, its successors, legal representatives, and assigns, any facts known to me respecting the invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue, and foreign applications, make all rightful oaths, and generally do everything possible to aid the ASSIGNEE, its successors, legal representatives, and assigns, to obtain and enforce proper protection for the invention in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal the day and year set opposite my respective signature.
