AND WHEREAS

Marquette University  
PO Box 1881  
Milwaukee, WI 53201-1881

(hereinafter referred to as "Assignee") is desirous of acquiring an interest therein and in the Letters Patent obtained therefor;

NOW THEREFORE, be it known by all whom it may concern, that for good and valuable consideration Assignors do hereby sell, assign, and transfer to Assignee, and to its legal representatives, successors, and assigns, its entire right, title, and interest in and to the Invention and to all United States, international, and foreign patent applications any of whose claims cover all or part of the Invention, to any prior or provisional application, including any application from which priority is claimed, together with all patents resulting from such applications including any continuations, divisions, reissues, re-examinations and extensions thereof and any applications

**PATENT**

**REEL: 052093 FRAME: 0478**

Country	Type of Filing	Application Number	Filing Date	Title
United States	Provisional	62/527,533	2017-06-30	Motor Assisted Split-Crank Pedaling Device

claiming priority therefrom. Assignee shall hold such right, title, and interest as fully and completely as it would have been held by Assignors had this assignment and sale not been made.

Assignors agree, upon Assignee's request, to execute or assent to such United States, international, and foreign patent applications and to execute all separate assignments and other legal documents that Assignee may find necessary or desirable in its exercise of the right, title, and interest assigned above. Assignors also agree to communicate to Assignee any facts relating to the Invention or to any of the patent applications or patents contemplated above that may be useful to Assignee and to testify as to such facts in any interferences or in litigation, if requested to do so.

Assignors understand and agree that the attorneys and agents of the law firm of Andrus Intellectual Property Law, LLP do not personally represent Assignors or Assignors' legal interests, but instead represent the interests of Assignee. Because said attorneys and agents cannot provide legal advice to Assignors with respect to this Assignment, Assignors acknowledge their right to seek their own independent legal counsel.

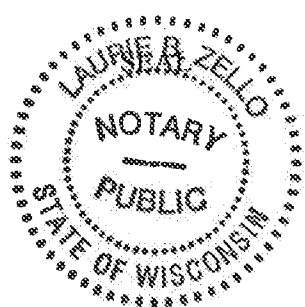

Assignors hereby request the Commissioner of Patents to issue to Assignee, as the owner of Assignors' entire right, title, and interest therein, any Letters Patent of the United States that may be issued for the Invention.
