APPLICATION DATA SHEET (37 CFR 1.76) AND ASSIGNMENT FOR SINGLE ASSIGNEE**

Title of Invention	HAIR EXTENSION STYLING APPARATUS
Docket Number	HW-02-Design

As the below named inventor, I hereby declare that:

This declaration ☒ The attached patent application, or
is directed to: ☐ United States patent application or PCT international application number: _____
_____ filed on _____. (I hereby authorize and request any attorney having appropriate
authority from the assignee to insert on the designated lines above, the filing date and application number of said
application when known.)

The above-identified application was made or authorized to be made by me.
I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.
I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine
or imprisonment of not more than five (5) years, or both.

WHEREAS, Hair Works LLC (hereinafter referred to as "ASSIGNEE") having a place of business at: 2457 Casa
Way, Walnut Creek, CA 94597, desires to acquire the entire right, title and interest in said invention and the above-identified
United States patent application;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby
acknowledged, I hereby assign to the ASSIGNEE, the entire right, title and interest in said invention and in the above-
identified United States patent application and in all divisions, continuations and continuations-in-part of said application,
and reissues, reexaminations, extensions and renewals of Letters Patent granted thereon, and in all corresponding patent
applications filed in countries foreign to the United States ("foreign countries") and corresponding international patent
applications, and in all Letters Patents issuing on any such patent applications in the United States and foreign countries;

I hereby assign to the ASSIGNEE the right to file patent applications in foreign countries on said invention in its
own name and the right to claim priority to the above-identified United States patent application under the terms of the
International Convention and any other relevant treaties;

I hereby authorize and request the United States Patent & Trademark Office and officials in patent offices in foreign
countries to issue any and all of said Letters Patent to the ASSIGNEE as the assignee of my entire right, title and interest in
and to the same, for the sole use and on behalf of the ASSIGNEE, its successors, assigns, and legal representatives, to the
full end of the term for which said Letters Patent may be granted;

I hereby warrant and represent that no assignment, grant, mortgage, license, or other agreement affecting the rights
and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein
expressed is possessed by the undersigned; and

Further, I agree that, without further consideration, I will communicate to the ASSIGNEE any facts known to me
respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation,
continuation-in-part, substitute, renewal, reexamination, extension, and reissue applications, execute all necessary assignment
papers to cause said Letters Patent to be issued to the ASSIGNEE, make all rightful oaths, and, perform all lawful acts to aid
the ASSIGNEE, its successors and assigns, to obtain and enforce Letters Patent for said invention in the United States and
foreign countries.
