**CONFIRMATION OF SECURITY INTEREST  
IN INTELLECTUAL PROPERTY**

**WHEREAS** Buildscale, Inc. (the “Debtor”) is the owner of the intellectual property set forth in Schedule A hereto, the registrations and applications for the intellectual property identified therein and any underlying goodwill associated with such intellectual property (collectively, the “Intellectual Property”);

**AND WHEREAS** the Debtor has delivered a general security agreement dated as of the date hereof (as it may be amended, restated, supplemented or otherwise modified from time to time, the “Security Agreement”) to Bank of Montreal (the “Bank”), and all terms used herein as defined terms shall have the respective meanings ascribed thereto in the Security Agreement;

**AND WHEREAS** pursuant to the Security Agreement, the Debtor pledges, assigns, mortgages, charges and hypothecates to the Bank and grants to the Bank a security interest in favour of the Bank in, *inter alia*, all present and future intangibles of the Debtor, including all of its present and future goodwill, intellectual property and choses in action of every nature and kind, including without limitation the Intellectual Property (the “Security Interest”);

**AND WHEREAS** the Debtor and the Bank desire to record this Confirmation with the Canadian Intellectual Property Office and the United States Patent and Trademark Office and such other authorities as the Bank desires to provide third parties with notice of the grant of the Security Interest;

**NOW THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in accordance with the terms and obligations set forth in the Security Agreement, the Debtor hereby confirms the granting of the Security Interest to the Bank.

The Debtor agrees that this Confirmation may be recorded with the Canadian Intellectual Property Office and the United States Patent and Trademark Office and such other authorities as the Bank desires to provide notice to third parties of the Security Interest granted under the Security Agreement.

Notwithstanding the foregoing, nothing herein shall be deemed to supersede, nor shall anything herein be used for the purpose of interpreting, the Security Agreement, and this Confirmation is not intended to alter in any way the rights or obligations of the Debtor or the Bank set forth in the Security Agreement. For the avoidance of doubt, if the terms of this Confirmation conflict with the Security Agreement, the terms of the Security Agreement shall govern.
