ASSIGNMENT

WHEREAS, I, Dr. Donald Corenman, of Edwards Colorado, have invented certain aspects of a new and useful invention as set forth in a patent application entitled **SURGICAL DRAPE WITH SEPARABLE ELEMENTS** for which an application for Letters Patent of the United States has been prepared and filed on June 7, 2011, receiving Serial No. 13/155,219, now U.S. Patent No. 8,726,907, and further identified as Attorney File No. 6410-2.

As set forth herein, I hereby assign all my right, title and interest in inventions that I have or may in the future conceive of directed to the above referenced patent application, as well as all inventions directed to a disposable surgical drape to be used in any surgery to provide temporary sterile coverage of an underlying sterile field (the "Invention").

NOW THEREFORE, be it known that I, the said inventor, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the assignee do sell, assign and transfer unto said assignee, Creative Surgical Solutions, LLC, having a place of business at 181 West Meadow Drive Vail, Colorado 81657, its successors, legal representatives and assigns, the aforesaid application and the Invention for the territory of the United States of America and all continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty and all applications for extension filed or to be filed for the invention, and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues and other patent rights, obtained for the Invention in the United States or any other country; I also assign any right, title or interest in and to the said Invention which has not already been transferred to the assignee, I warrant that I have made no assignment of the Invention, application or patent therefor to a party other than and I am under no obligation to make any assignment of the Invention, application, or patent therefor to any other party; and I further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming assignee's exclusive ownership of the Invention, but at the expense of said assignee.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to Creative Surgical Solutions,

LLC, its successors, legal representatives and assigns, as the assignee of the entire right, title and interest therein.

IN WITNESS WHEREOF, the party hereto has executed this Assignment as of the date indicated hereunder.
