ASSIGNMENT OF INVENTION AND OF LETTERS PATENT

WHEREAS, I, Paul A. Kinzer, residing at 150 Arbor Grove Circle, Georgetown, Kentucky 40324, have invented certain improvements in a PROTECTIVE HELMET and have filed an application for Letters Patent therefor, namely, U.S. Patent Application Serial No. 29/721,175 filed on January 17, 2020; and

WHEREAS, E. D. Bullard Company (hereinafter referred to as "Assignee"), a Delaware corporation having offices at 1898 Safety Way, Cynthiana, Kentucky 41031, desires to acquire the entire right, title, and interest in and to said application and the invention(s) and improvements(s) therein disclosed, and any United States and foreign patents to be obtained therefor;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned have sold, assigned, and transferred, and by these presents do sell, assign, and transfer to Assignee, its heirs, successors, legal representatives, and assigns the entire right, title, and interest of the undersigned in and to said invention, said application, and in and to any Letters Patent(s) that may be granted therefor in the United States of America, its territories, dependencies, and possessions, and in any and all foreign countries, including rights of priority under the International Convention of Paris (1883) as amended; and to any and all utility applications claiming priority thereto and any and all divisions, reissues, continuations, continuation-in-parts, conversions, and extensions thereof for the full term or terms for which the same may be granted in the United States of America or any foreign country.

The undersigned agrees that the Assignee may apply for domestic and foreign Letters Patent on the invention, and agrees to cooperate with the Assignee, and to execute without additional consideration any additional documents as deemed necessary by the Assignee to apply for or maintain patents or other legal protection for the invention in any country of the world.

1

The undersigned agrees to execute all papers necessary in connection with this application and any divisions, reissues, continuations, continuation-in-parts, conversions and extensions thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The undersigned agrees to execute all papers and documents and to perform any act which may be necessary in connection with claims or provisions of the International Convention for the Protection of Industrial Property or similar agreements.

The undersigned hereby authorizes and requests the officials of the U. S. Patent and Trademark Office and in any foreign countries to issue any and all Letters Patent resulting from said application or any divisions, reissues, continuations, continuation-in-parts, conversions and extensions thereof to the said Assignee, as Assignee of the entire interest, and hereby covenants that they have not executed, and will not execute, any agreement in conflict herewith.

The undersigned hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.
