Assignment of Rights

This Assignment entered into this 17th day of March, 2020 (Effective date) by and between Brian Thomson, an individual whose address is 7800 NE Industrial Boulevard, Macon, Georgia 31216, ("ASSIGNOR"), and First Response Locator Systems of America, LLC, a company whose address is 7800 NE Industrial Boulevard, Macon, Georgia 31216, ("ASSIGNEE"). Whereas, the undersigned ASSIGNOR is the owner of certain inventions, improvements, and discoveries (herein referred to as the "Invention") embodied in:

Title of the Invention:	FIRST RESPONSE LOCATOR SYSTEM
----------------------------	--------------------------------------

for which application(s) for a United States Patent were filed having application Serial Number: 29/714392.

Whereas, ASSIGNEE desires to acquire, and ASSIGNOR desires to grant to ASSIGNEE, their entire worldwide right, title, and interest in and to the Invention, any and all updates, enhancements, modifications, and derivations to the Invention and related concepts, and any and all patent applications and patents directed thereto,

THEREFORE, for good and valuable consideration, the receipt and sufficiency thereof being hereby acknowledged, the undersigned ASSIGNOR hereby sells, assigns, and otherwise transfers to ASSIGNEE, its successors, legal representatives, and assigns, the entire worldwide right, title, and interest in and to the Invention, any and all updates, ideas, designs, discoveries, improvements, know-how, proprietary information, enhancements, modifications, or derivations to the Invention, and the like related thereto, whether or not patentable; the above-identified United States patent application, and any and all other patent applications and patents for the Invention which may be applied for or granted therefor in the United States and in all foreign countries and jurisdictions, including all divisions, continuations, reissues, reexaminations, renewals, extensions, counterparts, substitutes, and extensions thereof, and all rights of priority resulting from the filing of such applications and granting of such patents.

In addition, the undersigned ASSIGNOR hereby authorizes and requests the Director of the United States Patent and Trademark Office to issue any United States Patent; and foreign patent authorities to issue any foreign patent, granted for the Invention or any updates, enhancements, modifications, or derivations to the Invention, to ASSIGNEE, its successors, legal representatives; and assigns, the entire worldwide right, title, and interest in and to the same to be held and enjoyed by ASSIGNEE, its successors, legal representatives, and assigns to the full end of the terms for which any and all such patents may be granted, as fully and entirely as would have been held and enjoyed by the undersigned had this Assignment not been made; and the undersigned ASSIGNOR agrees to execute any and all documents and instruments and perform all lawful acts reasonably related to recording this Assignment or perfecting title to the Invention, any and all updates, enhancements, modifications, or derivations to the Invention, and all related patents and applications, in ASSIGNEE, its successors, legal representatives, and assigns, whenever requested by ASSIGNEE, its successors, legal representatives, or assigns.

The undersigned ASSIGNOR acknowledges her prior and ongoing obligations to sell, assign, and transfer the rights under this Assignment to ASSIGNEE and is unaware of any reason why she may not have the full and unencumbered right to sell, assign, and transfer the rights hereby sold, assigned, and transferred, and has not executed, and will not execute, any document or instrument in conflict herewith.

This Assignment is governed by the substantive laws of the State of Florida, and any disputes will be resolved in a Florida state court or federal court sited in Florida, USA.

IN WITNESS WHEREOF, ASSIGNOR has executed this Assignment on the date of this Assignment first written above.
