In re application of: Jordan E. Church et al.

Application No.: 16/178905

Filing Date: November 2, 2018

Confirmation No.: 9642

For: Composition and Method for Germinative Compounds in Probiotic Food and Beverage Products for Human Consumption

ASSIGNMENT

WHEREAS, WE, Jordan E. Church, a resident of Dallas, TX and a citizen of the United States, Gabriel F.K. Everett, a resident of Mansfield, TX and a citizen of the United States, Charles J. Greenwald, a resident of Irving, TX and a citizen of the United States of America, and Lester Levy, Jr. a resident of Dallas, TX and a citizen of the United States of America, have invented certain new and useful improvements in a "Composition and Method for Germinative Compounds in Probiotic Food and Beverage Products for Human Consumption" for which a U.S. patent application was filed on November 2, 2018 and assigned U.S. Serial No. 16/178905; and

WHEREAS, NCH Corporation, a corporation of the State of Delaware, having offices at 2727 Chemsearch Blvd, Irving, TX 75062 (hereinafter referred to as "ASSIGNEE"), desires to acquire our entire right, title and interest in and to the invention, and in and to the said application and any Letters Patent that may issue thereon;

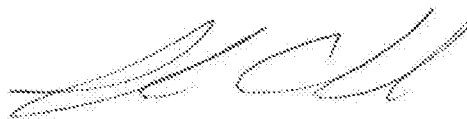

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, the full and exclusive right, title and interest in and to said invention and to said provisional application and any refiled provisional application or any non-provisional application converted from any said provisional application, and to any non-provisional patent application containing any subject matter common to and claiming the benefit of any said provisional application, and all divisions, continuations, continuations-in-part and reissues, reexaminations or extensions thereof; and we hereby authorize and request the Commissioner of Patents and Trademarks to issue any patent for any said invention or patent application to the said ASSIGNEE of our entire right, title and interest.

We also hereby sell and assign to said ASSIGNEE, its successors, assigns and legal representatives the full and exclusive rights, title and interest to the invention

disclosed in any of said applications throughout the world, including the right to file applications, including applications under the Patent Cooperation Treaty ("PCT"), and obtain patents, utility models, industrial models and designs for any said invention in its own name throughout the world including all rights of priority, all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries; and we further agree to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such rights, title and interest in ASSIGNEE, its successors, assigns and legal representatives.

We hereby further agree that we will communicate to said ASSIGNEE, or to its successors, assigns and legal representatives, any facts known to us respecting any improvements; and will, at the expense of said ASSIGNEE and without additional consideration, testify in any legal proceeding, sign all lawful papers, execute all applications, make all lawful oaths and declarations needed in the opinion of ASSIGNEE's legal counsel, and generally do everything possible to vest title in said ASSIGNEE and to aid said ASSIGNEE, its successors, assigns and legal representatives in obtaining and enforcing proper protection for said invention in all countries.
