ASSIGNMENT

WHEREAS, I, the undersigned, John Sever, a citizen of the United States and residing in the City of Villa Ridge, County of Franklin, and State of Missouri, and having an address at 367 Martin Field Court, is an employee of Husky Corporation, a Missouri corporation, having a place of business located at 2325 Husky Way, Pacific, MO 63069, and I understand and acknowledge that I enjoy such employment, in part, because of my potential capacity to invent, and that one of my duties as such an employee is to endeavor to make invention and improvements upon the same for the benefit of my employer, and that a condition of said employment is that all patent rights appertaining to any invention by me, in the course of my employment, to be assigned by me unto the said Husky Corporation, without any additional charge whatsoever in addition to my salary;

AND WHEREAS, in the course of said employment, I, the undersigned, John Sever, am the inventor having invented certain improvements in

DUAL FUEL SPOUT AND NOZZLE

for which application was made to obtain letters patent of the United States.

NOW, THEREFORE, know all men by these presents that in compliance with the duties and obligations inherent in my aforesaid agreement, and in further consideration of a bonus of One Dollar (\$1.00) in hand paid by Husky Corporation, (receipt whereof by me is hereby acknowledged) I, said John Sever, do hereby formally assign, transfer, and set over unto said Husky Corporation, a corporation, its successors and assigns, all right, title, and interest in and to the aforesaid invention and patent application upon Dual Fuel Spout And Nozzle, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made; and I agree to execute such further applications, powers of attorney, assignments and other documents as may be necessary or desirable to fully effectuate this agreement.

AND, I further grant to Husky Corporation, its successors and assigns, the right to claim for any application for said invention the full benefit of any international agreement between the United States and any foreign country or countries.

AND I DO HEREBY authorize and request the Commissioner of Patents and Trademarks to issue the said Letters Patent, when granted, to the said its successors
