**ASSIGNMENT**

WHEREAS, **Jeffrey Holt Stein**, an individual with an address of 6929 N. Hayden Road, Suite C4-#160, Scottsdale, AZ 85250-7970 ("Assignor") has invented certain improvements listed in **Exhibit A** (collectively, "Inventions"); and

WHEREAS, **BR Invention Holding, LLC**, a Arizona limited liability company with a place of business at 6929 N. Hayden Road, Suite C4-#160, Scottsdale, AZ 85250-7970, as "Assignee," is desirous of acquiring all right, title and interest in and to said Inventions and any Patents that may be granted therefor.

NOW, THEREFORE, in consideration of Ten U.S. Dollars (USD\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, as Assignor, hereby sells, assigns and sets over to said Assignee the entire right, title and interest for the United States and all other countries in and to said Inventions and the aforesaid applications for Patent, all original, divisional, continuation, national/regional stage, substitute or reissue applications and patents applied for or granted therefor in the United States and all other countries, all rights under any applicable international conventions and treaties (e.g., the International Convention for the Protection of Industrial Property), including all rights of priority from the filing of said applications and all goodwill associated therewith, and all rights for past, present and future infringement and damages related thereto, and the U.S. Commissioner of Patents and Trademarks and relevant foreign patent offices are hereby authorized and requested to issue all patents on said Inventions or resulting therefrom to said Assignee herein, as Assignee of the entire interest therein; and the Assignor, for himself/herself and his/her respective legal representatives, heirs and assigns do hereby agree and covenant, without further remuneration, to execute and deliver all divisional, continuation, regional/national stage, substitute, reissue and other applications for Patent on said Invention and all assignments thereof to said Assignee and its respective successors and assigns, to communicate to said Assignee and its respective successors, assigns, and its respective representatives all facts known to the Assignor respecting said Inventions, whenever requested, to testify in any interferences, derivation proceedings, *inter partes* reviews, oppositions, litigations, or other legal or administrative proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths, and to do generally everything necessary to assist Assignee and its respective successors, assigns and nominees to obtain patent protection for said Inventions in the United States and all other countries, the expenses incident to said applications to be borne and paid by said Assignee.

The Effective Date of this Assignment is March 18, 2020. This Assignment is governed and interpreted by the laws of the State of Arizona without regard to conflict of law principals. Any legal action or dispute involving this Assignment shall be adjudicated in the federal or state courts in the State of Arizona.
