ASSIGNMENT

For valuable and sufficient consideration, the receipt and sufficiency of which is hereby acknowledged, Raphael Schlienger of Wilton, CT ("Assignor") hereby irrevocably sells, assigns and conveys unto Specialized Bicycle Components, Inc. ("Assignee") all of his worldwide right, title and interest, free and clear of all liens, encumbrances or other obligations:

(1) in and to U.S. Patent No. 9,662,931 (hereinafter "the '931 Patent");

(2) in and to any prior filed U.S. provisional application or any other prior filed domestic or foreign patent application, based upon or otherwise relating to the '931 Patent;

(3) in and to all other patents and patent applications now or hereafter filed in the United States (including, without limitation, any non-provisional, divisional, continuation, continuation-in-part, reexamination, and reissue applications) based upon or otherwise relating to or claiming the benefit of or priority to the '931 Patent, and in and to the patents granted thereon, to the full end of the term or terms for which said patents may be granted;

(4) in and to all patent applications filed in countries foreign to the United States relating to the '931 Patent, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted;

(5) in and to any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(6) in and to any and all claims and causes of action, with respect to any of the foregoing, whether accruing before, on and/or after the dates of execution below, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement.

Assignor hereby agrees that he will, upon demand of Assignee and without further consideration, execute any and all papers that may be necessary, or deemed by Assignee to be necessary, to complete fulfillment of the intent and purposes of this Assignment.
