In consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt whereof is hereby acknowledged, Joshua David Kran (hereafter the "Assignor") hereby sells, assigns, and transfers to Erik A. Assignor further agrees to execute all papers necessary in connection with any interference proceeding that may be declared concerning the application and any continuation, continuation-in-part, divisional, reissue, and/or reexamination application(s) thereof; and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with the interference.

Assignor further agrees to perform all affirmative acts that may be necessary to obtain a grant of a valid United States patent in the name of Assignee.

Assignor represents that he has the full right to convey his entire interest herein assigned, and that he has not executed, and will not execute, any agreement in conflict therewith.
