DECLARATION AND ASSIGNMENT

As a below named inventor, I hereby declare that:

This declaration and assignment is directed to the international patent application, as follows:

Title: Computing Environment Node and Edge Network to Optimize
Data Identity Resolution
Serial No.: PCT/US2018/050584
Int'l Filing Date: 12 September 2018

Inventor(s)	Address
Matthew C. Hagy	289 Anderson St. San Francisco, CA 94110 US

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I have reviewed and understand the contents of the above-identified application, including the claims.

I acknowledge the duty to disclose information which is material to patentability as defined in Title 37 Code of Federal Regulations §1.56.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. §1001 by fine or imprisonment of not more than five (5) years, or both.

I, the "Assignor," have invented certain new and useful improvements in an invention set forth in the patent application with the title, serial number, and filing date set forth above. Acxiom Corporation, a Delaware corporation, having an office and place of business at 301 East Dave Ward Drive, Conway, AR 72033, US, the "Assignee," is desirous of acquiring the entire right, title and interest in said invention, in said application, and in any Letters Patent or Patents, in any country, to be obtained therefrom.

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby assign, sell, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above mentioned invention, application, and any and all Letters Patent or Patents in all countries which may be granted therefor and thereon, including all rights to claim priority, and in and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or re-examinations of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by Assignee, for its own use and benefit, and the use and benefit of its successors, legal representatives and assigns,

to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale and assignment not been made.

And for the same consideration, Assignor hereby covenants that no assignment, sale, agreement or encumbrance has been or will be entered into which would conflict with this assignment.

And for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will, whenever counsel of Assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said application or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, but at the cost and expense of Assignee, its successors, legal representatives and assigns.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

SIGNED this 17th day of September, 2018.

A notary public or other officer completing this certificate verifies only the identity of the individual who signed the document to which this certificate is attached, and not the truthfulness, accuracy, or validity of that document.
