AGREEMENT/ASSIGNMENT DEED

1. I, Richard Tyrrell of Advanced Analysis Limited, The Courtyard, Shoreham Road, Upper Beeding, Steyning, West Sussex BN44 3TN, United Kingdom, and of British nationality warrant that I am an inventor of the invention entitled "Compliant Rocker" and described in the specification of UK patent application no. 1718402.9 under Nash Matthews LLP case reference 2147.00/C which I have read and approved and that at the time of making the invention I was employed by Advanced Analysis Limited (hereinafter called 'the Employer') as *Director* and that the invention or part or parts thereof made by me was made in the course of:

- (a) my normal duties or duties specifically assigned to me, and the circumstances thereof were such that an invention might reasonably have been expected to result from my carrying out those duties, or
- (b) my duties and, because of the nature of those duties and my particular responsibilities arising from them, I had a special obligation to further the interests of the Employer,

and therefore belongs to the Employer for all purposes.

2. For the avoidance of doubt I hereby assign to the Employer any right I may have to apply for and be granted a patent for the said invention in the United Kingdom, the United States of America and in any other country absolutely.

3. I will, at the expense of the Employer, execute all such documents and do all such acts and things as may be requested by the Employer for the purposes of applying for and obtaining patent or similar protection in respect of the said invention in any country in the world, in the name of the Employer or in such name as the Employer may direct, and of vesting the said patent or similar protection when obtained in the Employer absolutely. I declare that any such request by the Employer that involves the execution of any document purporting to transfer or assign any rights in the invention for the purpose of obtaining patent or similar protection in any country outside the United Kingdom will not constitute an acknowledgement by the Employer that any right in the invention belongs to me.

Signed and delivered as a deed this *12* day of *JANUARY* *2018*
