WHEREAS, the Assignor identified above (hereinafter, the "Assignor") owns all right, title, and interest in and to the patent and patent applications identified by the titles, filing dates, and publication numbers indicated above (the "708 Patent Family"); and

WHEREAS, Assignee, a corporation organized and existing under the laws of the State indicated above, and having its principal place of business at the address indicated above, desires to acquire one-half of Assignor's entire right, title, and interest in and to '708 Patent Family; and

WHEREAS, after this Assignment, Assignor and Assignee each shall have an equal and undivided right, title, and interest in and to '708 Patent Family.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Assignment of Rights. Assignor has sold, assigned, and transferred and does hereby sell, assign, and transfer to the Assignee, one-half of Assignor's entire right, title and interest in and to the '708 Patent Family, and all future divisional, continuation, continuation-in-part, and continuing prosecution applications that claim priority thereto, and any reexamination and reissue applications thereof; all international, regional, and foreign applications that claim priority to, are counterparts of, or otherwise correspond thereto; and the Letters Patent, both in the United States and in countries or regions foreign thereto, that may or shall issue or have issued therefrom; any extensions, substitutes, or renewals thereof; and the right to claim priority to the filing dates of the '708 Patent Family.

2. Acceptance of Assigned Rights. The Assignee hereby acknowledges and accepts the assignment of rights of Assignor in Paragraph 1 above.

3. Retention of Rights. Assignor shall retain the remaining one-half of Assignor's entire right, title and interest in and to the '708 Patent Family, and all future divisional, continuation,

continuation-in-part, and continuing prosecution applications that claim priority thereto, and any reexamination and reissue applications thereof; all international, regional, and foreign applications that claim priority to, are counterparts of, or otherwise correspond thereto; and the Letters Patent, both in the United States and in countries or regions foreign thereto, that may or shall issue or have issued therefrom; any extensions, substitutes, or renewals thereof; and the right to claim priority to the filing dates of the '708 Patent Family.

4. Miscellaneous. This document may be executed in two or more counterparts and may be delivered by facsimile or email, all of which shall be deemed an original, and all of which together shall constitute one and the same instrument. The Parties agree to execute and deliver any and all further documents and instruments as may be necessary or desirable to further effectuate the assignment of rights set forth in this Assignment.

IN WITNESS WHEREOF, the Assignor hereunto has executed this Assignment upon the date indicated below.
