ASSIGNMENT

WHEREAS, the undersigned, **Elario D. Dalmas, II** (hereafter referred to as Assignor) has made certain inventions that are described in an application for Letters Patent of the United States of America entitled: **Controlled Turbulence System** having application Serial Number: 16/546642 filed on August 21, 2019, and

WHEREAS, **Quest Engines, LLC** (hereafter referred to as Assignee), a corporation of the state or commonwealth of Pennsylvania and having a place of business at 4257 Limeport Pike, Coopersburg, PA 18036 is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof, and for all other countries and under all international agreements,

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00), and other good and valuable consideration, receipt whereof is hereby acknowledged, the Assignor hereby sells, assigns and transfers unto said Assignee, its successors and assigns, the entire right, title and interest, throughout the United States of America and the territories thereof and for all foreign countries and under all international agreements, in and to said inventions, the aforesaid application, all other applications hereafter filed in the United States, in any other country, or under any international agreement, based in whole or in part on said inventions, and all Letters Patents granted upon said applications by the United States, by any other country, or under any international agreement, and do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said Assignee.

The Assignor further grants to said Assignee, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States of America and any foreign country or countries or between any other countries. The Assignor hereby warrants that he has the full right to make the conveyance herein, and hereby covenants that the Assignor, and the heirs, legal representatives and assigns of the Assignor will, when requested,

communicate to said Assignee, its representatives, successors and assigns, all facts known respecting said inventions, execute all original, divisional, continuing, reissue, reexamination, inter partes review and foreign or international applications, together with individual assignments therefore, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said Assignee, its successors and assigns in the obtaining and enforcing said Letters Patent.

IN TESTIMONY WHEREOF, the Assignor has hereunto executed this Assignment on the date indicated below.
