DECLARATION AND ASSIGNMENT BY INVENTOR
UNDER RULE 37 C.F.R. § 1.63

I, **Sofia Malinova Babanova**, of **San Diego, California USA**, hereby declare that:

I believe I am the sole original inventor or an original joint inventor of a claimed invention in a patent application entitled:

SCALABLE FLOATING MICRO-AERATION UNIT, DEVICES AND METHODS

which was filed on **February 27, 2020**, as Application No. **16/803,119**, and which claims the benefit of priority of U.S. Provisional Patent Application No. **62/811,496**, filed on **February 27, 2019**.

I believe the following persons are original joint inventors of the above-identified patent application(s):

Orianna Bretschger, of **San Diego, California USA**;
Jaime Octavio García Cornejo, of **La Mesa, California USA**; and
Jason Daniel Jones, of **Cardiff By The Sea, California USA**.

The above-identified application was made or authorized to be made by me.

I have reviewed and understand the contents of the above-identified patent application including the claims.

I am aware of the duty to disclose to the U.S. Patent and Trademark Office all information known to me to be material to patentability as defined in 37 CFR §1.56.

I hereby acknowledge that any willful false statement made in the above declaration is punishable under 18 USC §1001 by fine or imprisonment of not more than five (5) years, or both.

ASSIGNMENT

I hereby assign to **AQUACYCL LLC**, a Limited Liability Company, having a place of business at **6342 Ferris Square, San Diego, CA 92121**, and its successors and assigns (collectively hereinafter called “the Assignee”), the entire right, title and interest throughout the world in any and all inventions and improvements which are described in an application for United States Patent, entitled ***SCALABLE FLOATING MICRO-AERATION UNIT, DEVICES AND METHODS***, filed on **February 27, 2020**, and assigned U.S. Application Number **16/803,119**, and which claims the benefit of priority of U.S. Provisional Patent Application No. **62/811,496**, filed on **February 27, 2019**.

This assignment includes the entire right, title and interest in said application(s), all legal equivalents thereof in any country, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions and improvements, including, but not limited to, all divisions, continuations, reissues, reexamination certificates, any and all certificates issued in any post-grant proceeding, and extensions of said application(s) and patents of the United States, foreign patents, utility models, and design registrations, and the right to claim priority based on the filing date of said application(s) under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes, and the right to seek relief and recover all damages, including, but not limited to, a reasonable royalty, by reason of infringement or any other violation of patent or patent application rights. I authorize the Assignee to apply in all countries in my name or in the name of the Assignee for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements.

In addition, I hereby confirm the sale, assignment, and transfer to the Assignee of the entire right, title and interest throughout the world in said inventions and improvements by operation of an employment agreement between me and the Assignee existing at the time said inventions and improvements were made. Should I have any remaining interest, I hereby sell, assign, and transfer to the Assignee any right, title and interest I may have in said inventions and improvements anywhere in the world.
