ASSIGNMENT OF INVENTION UNIVERSAL

WHEREAS **Mathieu BERROUARD**, residing at 1451 du Corsaire, Lévis, Québec G6W 2G5 Canada, (hereinafter the "Assignors"), have invented certain improvements in a **push broom head and method of fabrication thereof** and described in:

- U.S. Patent Application no. 62/829,248, filed on April 4, 2019.

We hereby authorize and request our patent agent to insert information regarding any additional application covering the same invention when known hereinafter:

Country	Application number	Filing date
United States	16/834,962	30 March 2020

and:

WHEREAS, **GARANT GP**, having its principal place of business at 375, Chemin St-François ouest, Saint-François, Québec G0R 3A0 Canada (hereinafter referred to as the "Assignee"), is desirous of acquiring the Assignors' entire right, title and interest in and to said invention or inventions and in and to any and all patents to be obtained therefore in any country.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other valuable consideration, the receipt of which is hereby acknowledged, the Assignors have and by these presents do hereby sell, assign and transfer unto said Assignee, its successors and assigns, their entire right, title and interest in and to said invention or inventions, as described in the aforesaid patent application, in any form or embodiment thereof, and in and to the aforesaid application; and in and to any applications filed in any foreign country based thereon, including the right to file said foreign applications under the provisions of the International Convention; also the Assignors' entire right, title and interest in and to any and all patents, reissues, extensions, divisional or continuations thereof to be obtained in Canada, the United States or any other country upon said invention or inventions, and any divisional, continuation, continuation-in-part, substitute application(s) or supplementary disclosure(s) which may be filed upon said invention or inventions, in any country; and we hereby authorize and request the issuing authority to issue any and all patents on said application or applications to said Assignee.

We further agree without any payment by said Assignee other than expenses incurred by the undersigned, to communicate to said Assignee, its representatives or agents, any facts relating to said invention or inventions, including evidence for interference purposes or for other proceedings, whenever requested; testify in any interference, litigation or other proceedings, whenever requested; and execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective, and likewise make these provisions binding upon our heirs, legal representatives, administrators and assigns.
