5.5 Public Disclosure. The Company and its Affiliates shall not issue any press release or other public statement relating to the terms of this Agreement or the Transactions or use Buyer's name or refer to Buyer directly or indirectly in connection with Buyer's relationship with the Company in any media interview, advertisement, news release, press release or professional or trade publication, or in any

print media, whether or not in response to an inquiry, without the prior written approval of the Buyer, except as reasonably necessary for the Company to obtain the consents and approvals of third parties contemplated by this Agreement. Prior to contacting or responding to inquiries from any contract party, customer or prospective customer of the Company, the Company and Buyer will develop agreed forms of communications, including a letter to customers, content for the Company's website (at all times as of and following the Agreement Date), and an agreed response to inquiries from potential customers of the Company, and the Company shall not alter, amend or supplement such agreed communications without the prior approval of Buyer. 5.7 Expenses. Other than as specifically set forth herein, whether or not the Asset Purchase is consummated, all costs and expenses incurred in connection with this Agreement and the Transactions shall be paid by the party incurring such expense.

5.8 Further Assurances. On the terms and subject to the conditions set forth in this Agreement, each of the parties hereto shall use all reasonable efforts, and shall cooperate with each other party hereto, to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, reasonably appropriate or desirable to consummate and make effective, in the most expeditious manner practicable, the Transactions, including the satisfaction of the respective conditions set forth in ARTICLE VI. Each party hereto, at the reasonable request of the other party hereto, shall execute and deliver such other instruments and do and perform such other acts and things as may be necessary for effecting completely the consummation of the Asset Purchase and the Transactions. The Company shall cooperate with Buyer to determine all actions that are required to be taken by the Company within 180 days of the Agreement Date with respect to the Company Registered Purchased Intellectual Property in order to avoid prejudice to, impairment or abandonment of such Purchased Intellectual Property Rights.

5.9 Payment of Taxes. The Company shall, to the extent that failure to do so would materially adversely affect or result in any Encumbrance on the Purchased Assets, (a) continue to file all of the Company's Tax Returns within the time period for filing, and such Tax Returns shall be true, correct and complete in all material respects, and (b) pay when due any and all Taxes attributable to or levied or imposed upon the Purchased Assets for periods (or portions thereof) through and including the Closing Date whether or not such payment is required to be paid after the Closing Date. After

the Closing, the Company may not, except as contemplated by the Plan of Liquidation, (a) repurchase or redeem any Company capital stock, (b) make any distribution to its stockholders or (c) dissolve or liquidate, in each case unless the Company has satisfied any creditor claims for which Buyer could become liable, including as a result of any failure by either Buyer or the Company to comply with the requirements of any applicable bulk sales or transfer laws. In connection with the distribution of any Contingent Payment as contemplated by the Plan of Liquidation (whether distributed by the Company to Holder, or paid directly to Holder pursuant to the written assignment of such right to the Contingent Payment by the Company to Holder or the Plan of Liquidation), each Holder acknowledges that such Contingent Payment are subject to setoff pursuant to the indemnification provisions of Article VIII. Each Holder hereby approves the Plan of Liquidation and agrees to subordinate its right to payment to the other unsecured creditors of the Company as contemplated by the Plan of Liquidation.

5.11 Release and Wavier by the Company and Holders. Effective as of the Closing Date, each of the Company and the Holders, for itself and if applicable, on behalf of its directors and officers, representatives, agents, estates, heirs, successors and assigns (the "*Releasing Parties*"), hereby irrevocably, unconditionally and forever acquits, releases, waives and discharges, and further covenants and agrees that they will not assert any claims against Buyer or any of its directors and officers, equityholders, representatives, agents, estates, successors and assigns, or against Lender and any of its directors, officers, equityholders, representatives, agents, estates, successors and assigns (the "*Released Parties*"), arising from or related to any and all past, present and future debts, losses, costs, bonds, suits, actions, causes of action, liabilities, contributions, attorneys' fees, interest, damages, punitive damages, expenses, claims, potential claims, counterclaims, cross-claims, or demands, in law or in equity, asserted or unasserted, express or implied, known or unknown, matured or unmatured, contingent or vested, liquidated or unliquidated, of any kind or nature or description whatsoever, that any of the Releasing Parties had, presently has or may hereafter have or claim or assert to have against any of the Released Parties, that in any way arise from or out of, are based upon or relate to (i) the negotiation of this Agreement, (ii) the employment by Buyer of, or the offer of employment by Buyer to any employee of the Company, (iii) the negotiation of the Asset Purchase Agreement and the completion of the Asset Purchase, including without limitation that the Asset Purchase constitutes a fraudulent or avoidable transfer or that any aspect of the Asset Purchase was commercially unreasonable under the UCC ; (iii) the wind-up, liquidation, dissolution or cessation of the Company's business operations or the sale or license of the Company's assets, including the termination of any Company employees or other service providers, and (iv) the provision of any services provided by the Company's employees or consultants to Buyer (including the use of any intellectual property developed by such employees during their employment with the Company, or otherwise developed or owned by the Company) ((i) through (iv), collectively, the "*Released Claims*"). The Releasing Parties hereby further covenant not to sue or otherwise seek to enforce or assert any rights against Buyer or any of the Released Parties. Notwithstanding anything in this Section 5.11, the foregoing release in this Section 5.11 shall not cover, and the Released Claims shall not apply to or include, the rights of the Company or any Holder with respect to the Buyer under this Agreement, or as it relates to the Holders' rights to receive payment from the Company for the Subordinated Debt from the proceeds of the Asset Purchase as contemplated by the Plan of Liquidation and the Contingent Payment.

5.12 Validity of Debt and Lien; Commercially Reasonable Disposition; Satisfaction of Standards. The Company represents and warrants to the Buyer that each of the Loan Documents to which the Company is a party has been duly and validly executed and delivered by the Company, and constitutes a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms, subject only to the effect, if any, of (i) applicable bankruptcy and other similar laws affecting the rights of creditors generally and (ii) rules of law governing specific performance, injunctive relief and other equitable remedies. Pursuant to the Loan Documents, the Company is indebted to Lender for money borrowed and for expenses in the amount of \$2,123,338.70 without defense, counterclaim or setoff. The Company is in default under the Loan Documents and the Lender is entitled to dispose of the Collateral pursuant to the Loan Documents and the UCC. The Company has received the Notification of Disposition of Collateral sent by Lender on January 5, 2018 and on January 11, 2018, and has waived any and all notice period relating to the Notification of Disposition of Collateral sent by Lender on January 11, 2018. The Company has received no communication from any other person other than the Lender asserting a present claim of Lien against the Purchased Assets. The Company agrees that it is not aware (having made inquiry only of the Company's officers) of any basis for it to conclude that the sale, assignment and transfer of the Purchased Assets pursuant to the Asset Purchase Agreement, and all aspects thereof, does not constitute a commercially reasonable disposition within the meaning of Section 9-610 of the UCC and that the sale of the Purchased Assets for the Purchase Price (including the Contingent Payment) is not in full compliance with the UCC.

5.13 Preservation of Records; Post-Closing Access to Information. ARTICLE VIII INDEMNIFICATION

8.1 Indemnification. Subject to the limitations set forth in this ARTICLE VIII, from and after the Closing the Company and the Holders, severally and not jointly, shall indemnify and hold harmless Buyer and its officers, directors, agents and employees, and each person, if any, who controls or may control Buyer within the meaning of the Securities Act (each of the foregoing being referred to individually as an "*Indemnified Person*" and collectively as "*Indemnified Persons*") from and against any and all losses, liabilities, damages, fees, claims, costs and expenses, including settlement costs and costs of investigation and defense and reasonable fees and expenses of lawyers, experts and other professionals (collectively, "*Indemnifiable Damages*") directly or indirectly, whether or not due to a third-party claim, arising out of, resulting from or in connection with (a) any failure of any representation or warranty made by the Company in this Agreement as modified by the Company Disclosure Schedule (including any exhibit or schedule to the Company Disclosure Schedule) to be true and correct, (b) any failure of any certification, representation or warranty made by the Company in any Company Ancillary Agreement or any other certificate, document or instrument delivered to Buyer pursuant to any provision of this Agreement to be true and correct as of the date such Company Ancillary Agreement, certificate, document or instrument is delivered to Buyer, (c) any breach of or default in connection with any of the covenants or agreements made by the Company or any Holder in this Agreement (including any exhibit or schedule to this Agreement), (d) any Excluded Liabilities (including without limitation any fees and expenses incurred by the Company in connection with this Agreement and the transactions contemplated hereby), (e) any Liabilities relating to any claim against Buyer brought by any equityholder of the Company relating to this Agreement, the Transactions or the transactions contemplated by the Asset Purchase Agreement and the Company Ancillary Agreements, (f) any and all Liabilities of the Company now or hereafter arising relating to claims for wrongful discharge, employment discrimination, or under COBRA, severance, any Benefit Plan, and other obligations of the Company to Company employees; (g) any Liability for Taxes of the Company and any sales, use or other Transaction Taxes imposed on the sale of the Purchased Assets to Buyer for which the Company is responsible pursuant to Section 1.7 of this Agreement, and (h) any noncompliance with any bulk sales, bulk transfer or similar laws applicable to the transactions contemplated hereby. Neither the Company nor the Holders shall have any right of contribution, indemnification or right of advancement from the Buyer with respect to any Indemnifiable Damages claimed by an Indemnified Person.

Holder, the Indemnifiable Damages payable by such Holder in the case of Fraud pursuant to this sentence shall be limited to the amount actually received by such Holder pursuant to this Agreement or the Plan of Liquidation.

(b) Notwithstanding anything to the contrary herein, and except with respect claims by an Indemnified Person for failure of the representations and warranties contained in Section 2.2 (Authority; Noncontravention), Section 2.6 (No Assignment for Benefit of Creditors; Bankruptcy Filing), Section 2.9 (Title to Assets), Section 2.11 (Taxes), after the Closing no Indemnified Person shall be entitled to recover for Indemnifiable Damages pursuant to Section 8.1(a) unless and until the Indemnified Persons have incurred Indemnifiable Damages pursuant to claims for Indemnifiable Damages under Section 8.1(a) in excess of \$10,000 in the aggregate, after which the Indemnified Persons shall be entitled to seek recovery in accordance with this Article VIII for the entire amount of the Indemnifiable Damages.

(c) Any Indemnifiable Damages recoverable hereunder shall be reduced in amount by any insurance proceeds, indemnification payments, contribution payments or reimbursements actually realized by any Indemnified Person in connection with such Indemnifiable Damages or any of the circumstances giving rise thereto, and Buyer and the Indemnified Persons shall (i) use reasonable efforts to realize such proceeds, payments or reimbursements, and (ii) to the extent any such benefits, proceeds, payments or reimbursements are realized after such Indemnifiable Damages are recovered from setoff against the Contingent Payment, promptly repay the amount of such Indemnifiable Damages (not to exceed the amount of such proceeds, payments or reimbursements) to the Company, or paid directly to Holders pursuant to the written assignment of such right to the Contingent Payment by the Company to Holders or the Plan of Liquidation).

(d) In no event shall any “multiple of profits,” “multiple of revenue,” “multiple of EBITDA,” “multiple of cash flow” or other valuation methodology be used in calculating the amount of any Indemnifiable Damages unless such were awarded to a third party pursuant to a Third Party Claim for which the Indemnified Persons were entitled to indemnification pursuant to this Article VIII and such claim for indemnification was actually made.

8.3 Period for Claims. Except as set forth in the next sentence hereto, the period during which claims may be made (the “*Claims Period*”) for Indemnifiable Damages arising from or in connection with the matters listed in Section 8.1 shall commence at the Closing and terminate at 5:00 p.m., Eastern Standard Time, on the date that is 12 months following the Closing Date. (a) On or before the last day of the Claims Period, Buyer may deliver to the Company and to the Holders’ Agent a certificate signed by any officer of Buyer (an “*Claims Certificate*”):

(i) stating that an Indemnified Person has incurred, paid, reserved or accrued, or reasonably anticipates that it may incur, pay, reserve or accrue Indemnifiable Damages;

(ii) stating the amount of such Indemnifiable Damages (which, in the case of Indemnifiable Damages not yet incurred, paid, reserved or accrued, may be the maximum amount reasonably anticipated by Buyer to be incurred, paid, reserved, accrued or demanded by a third party); and

(iii) specifying in reasonable detail (based upon the information then possessed by Buyer or any Indemnified Person) the individual items of such Indemnifiable Damages included in the amount so stated and the nature of the claim to which such Indemnifiable Damages are related.

No delay in providing such Claims Certificate within the Claims Period shall affect Buyer's rights hereunder, unless (and then only to the extent that) the Company or the Holders are prejudiced thereby.

(b) Unless the Holders' Agent shall have objected to any claim or claims made in the Claims Certificate in a written statement delivered to Buyer prior to the expiration of 30 days from receipt of the Claims Certificate, upon the expiration of such 30-day period, Buyer (on behalf of itself or any other Indemnified Person) shall, pursuant to Section 8.2, and prior to seeking any direct recourse from the Company or the Holders, reclaim the amount equal to the Indemnifiable Damages specified in such Claims Certificate from the Indemnity Amount.

(c) If the Holders' Agent objects in writing to any claim or claims by Buyer made in any Claims Certificate, Buyer and the Holders' Agent shall attempt in good faith for 20 days after Buyer's receipt of such written objection to resolve such objection. If Buyer and the Holders' Agent shall so agree, a memorandum setting forth such agreement shall be prepared and signed by both parties. Buyer shall be entitled to conclusively rely on any such memorandum, and Buyer shall reclaim an amount equal to the Indemnifiable Damages in accordance with Section 8.4(b) above and the terms of such memorandum.

(d) If no such agreement can be reached during the 20-day period for good faith negotiation, but in any event upon the expiration of such period, either Buyer or the Holders' Agent on behalf of the Company will submit the dispute to mandatory, final and binding arbitration in accordance with Section 9.10 within six months of the date of the Claims Certificate.

8.5 Holders' Agent.

(a) Effective upon the dissolution of the Company, S3 Ventures Fund III, L.P., is hereby constituted and appointed as the Holders' Agent and as the duly appointed attorney-in-fact of each Holder having the duties, power and authority provided for in this Section 8.5. For purposes of this Agreement, the term "*Holders' Agent*" shall mean the agent for and on behalf of the Holders to: (i) give and receive notices, instructions, and communications permitted or required under this Agreement, or any other agreement, document or instrument entered into or executed in connection herewith, for and on behalf of any Holder, to or from Buyer (on behalf of itself or any other Indemnified Person) relating to this Agreement or any of the transactions and other matters contemplated hereby or thereby (except to the extent that this Agreement expressly contemplates that any such notice or communication shall be given or received by each Holder individually); (ii) review, negotiate and agree to and authorize Buyer to set off Indemnifiable Damages with Indemnifiable Damages up to the applicable Indemnity Amount in satisfaction of claims asserted by Buyer (on behalf of itself or any other Indemnified Person, including by not objecting to such claims) pursuant to this ARTICLE VIII, whether such claims are made before or after the dissolution of the Company; (iii) object to such claims pursuant to Section 8.4; (iv) consent or agree to, negotiate, enter into, or, if applicable, contest, prosecute or defend, settlements and compromises of, and demand arbitration and comply with orders of courts and awards of arbitrators with respect to,

such claims, resolve any such claims, take any actions in connection with the resolution of any dispute relating hereto or to the transactions contemplated hereby by arbitration, settlement or otherwise, and take or forego any or all actions permitted or required of any Holder necessary in the judgment of the Holders' Agent for the accomplishment of the foregoing and all of the other terms, conditions and limitations of this Agreement; (v) consult with legal counsel, independent public accountants and other experts selected by it, solely at the cost and expense of the Holders; (vi) consent or agree to any amendment to this Agreement or to waive any terms and conditions of this Agreement providing rights or benefits to the Holders in accordance with the terms hereof and in the manner provided herein; and (vii) take all actions necessary or appropriate in the judgment of the Holders' Agent for the accomplishment of the foregoing, in each case without having to seek or obtain the consent of any Person under any circumstance. The Holders shall be bound by all actions taken and documents executed by the Holders' Agent in connection with this ARTICLE VIII, and Buyer and other Indemnified Persons shall be entitled to rely exclusively on any action or decision of the Holders' Agent. The Person serving as the Holders' Agent may be replaced from time to time by S3 Ventures Fund III, L.P.

(b) The Holders' Agent shall not be liable to any former holder of Company capital stock for any act done or omitted hereunder as the Holders' Agent. The Holders' Agent shall serve as the Holders' Agent; provided, that the Holders shall severally indemnify the Holders' Agent and hold him harmless against any loss, liability or expense incurred arising out of or in connection with the acceptance or administration of his duties hereunder, including all reasonable out-of-pocket costs and expenses and legal fees and other legal costs reasonably incurred by the Holders' Agent.

(c) Any notice or communication given or received by, and any decision, action, failure to act within a designated period of time, agreement, consent, settlement, resolution or instruction of, the Holders' Agent that is within the scope of the Holders' Agent's authority under Section 8.5(a) shall constitute a notice or communication to or by, or a decision, action, failure to act within a designated period of time, agreement, consent, settlement, resolution or instruction of all the Holders and shall be final, binding and conclusive upon each such Holder; and each Indemnified Person shall be entitled to rely exclusively upon any such notice, communication, decision, action, failure to act within a designated period of time, agreement, consent, settlement, resolution or instruction as being a notice or communication to or by, or a decision, action, failure to act within a designated period of time, agreement, consent, settlement, resolution or instruction of, each and every such Holder. Buyer and the Indemnified Persons are hereby relieved from any Liability to any Person for any acts done by them in accordance with such notice, communication, decision, action, failure to act within a designated period of time, agreement, consent, settlement, resolution or instruction of the Holders' Agent. After appointment of Holders' Agent, any decision, action, or failure to act by the Company with respect to this ARTICLE VIII is deemed to be the decision, action, or failure to act of the Holders' Agent, notwithstanding that such decision, action, failure to act by the Company may have occurred prior to the appointment of the Holders' Agent.

8.6 Third-Party Claims.

(a) Promptly after receipt by any Indemnified Person of notice of the commencement of any action by a third party in respect of which, if successful, the Indemnified Person would be entitled to indemnification under ARTICLE VIII (a "*Third Party Claim*"), the Indemnified Person shall notify the Company and the Holders' Agent in writing, but any failure to so notify the Company or Holders' Agent, as the case may be, shall not relieve the Company or the Holders from any liability that it may have to the Indemnified Person other than to the extent the Company or Holders are materially prejudiced thereby. Such notification shall include a description in reasonable detail (to the extent known by the Indemnified Person) of the facts constituting the basis for such Third Party Claim and the amount of the Indemnifiable Damages claimed. In the event Buyer becomes aware of a Third

Party Claim that Buyer believes may result in an indemnification claim by or on behalf of an Indemnified Person, Buyer shall have the right in its sole discretion to conduct the defense of and to settle or resolve any such Third Party Claim (and the costs and expenses incurred by Buyer in connection with such defense, settlement or resolution (including reasonable attorneys' fees, other reasonable professionals' and experts' fees and court or arbitration costs) shall be included in the Indemnifiable Damages for which Buyer may seek indemnification pursuant to a claim made hereunder), subject to this Section 8.6; *provided, however*, that, except with the written consent of the Company or Holders' Agent (which consent shall not be unreasonably withheld, delayed or conditioned), no settlement of any such claim or consent to entry of any judgment with respect to such Third Party Claim shall alone be determinative of the validity of the Third Party Claim against the Indemnity Amount or personally against the Company or the Holders.

(b) The party controlling the defense of the Third Party Claim shall keep the other parties advised of the status of such Third Party Claim and the defense thereof and shall consider recommendations made by the other party with respect thereto.

9.3 Interpretation: Rules of Construction. When a reference is made in this Agreement to Articles, Sections or Exhibits, such reference shall be to an Article or Section of, or an Exhibit to this Agreement unless otherwise indicated. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. The words "include," "includes" and "including" when used herein shall be deemed in each case to be

followed by the words "without limitation." The phrases "provided to," "furnished to," and phrases of similar import when used herein, unless the context otherwise requires, shall mean that a true, correct and complete paper or electronic copy of the information or material referred to has been provided to the party to whom such information or material is to be provided. Unless the context of this Agreement otherwise requires: (a) words of any gender include each other gender; (b) words using the singular or plural number also include the plural or singular number, respectively; and (c) the terms "hereof," "herein," "hereunder" and derivative or similar words refer to this entire Agreement.

9.4 Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same instrument, and shall become effective when one or more counterparts have been signed by each of the parties hereto and delivered to the other party hereto, it being understood that all parties hereto need not sign the same counterpart.

9.5 Entire Agreement; Parties in Interest. This Agreement (together with the applicable portions of the Asset Purchase Agreement) and the documents and instruments and other agreements specifically referred to herein or therein or delivered pursuant hereto or thereto, including all the exhibits attached hereto and the schedules hereto including the Company Disclosure Schedule, (a) constitute the entire agreement among the parties hereto with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral, among the parties hereto with respect to the subject matter hereof, (b) are not intended to confer, and shall not be construed as conferring, upon any Person other than the parties hereto any rights or remedies hereunder, except that ARTICLE VIII is intended to benefit Indemnified Persons and (c) shall not be assigned by operation of law or otherwise except as specifically provided herein.

9.6 Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement may be assigned or delegated, in whole or in part, by operation of law or otherwise by the Company without the prior written consent of Buyer, and any such assignment without such prior written consent shall be null and void. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of, and be enforceable by, the parties hereto and their respective successors and assigns. Buyer may assign or delegate this Agreement or any of its rights, interests or obligations under this Agreement to any direct or indirect wholly owned subsidiary of Buyer, without the consent of any other party hereto. Notwithstanding anything in this Section 9.6, the Company may assign its rights to receive the Contingent Payment to the Holders either via written assignment, or in connection with the Plan of Liquidation.

9.7 Severability. In the event that any provision of this Agreement, or the application thereof, becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this Agreement shall continue in full force and effect and shall be interpreted so as reasonably necessary to effect the intent of the parties hereto. The parties hereto shall use all reasonable best efforts to replace such void or unenforceable provision of this Agreement with a valid and enforceable provision that shall achieve, to the extent possible, the economic, business and other purposes of such void or unenforceable provision.

9.8 Remedies Cumulative. Except as otherwise provided herein, any and all remedies herein expressly conferred upon a party hereto shall be deemed cumulative with and not exclusive of any other remedy conferred hereby or by law or equity upon such party, and the exercise by a party hereto of any one remedy shall not preclude the exercise of any other remedy and nothing in this Agreement shall be deemed a waiver by any party of any right to specific performance or injunctive relief. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, this being in addition to any

other remedy to which they are entitled at law or in equity, and the parties hereby waive the requirement of any posting of a bond in connection with the remedies described herein.

9.9 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York without reference to such state's principles of conflicts of law.

9.10 Arbitration; Submission to Jurisdiction; Consent to Service of Process. EXCEPT FOR CLAIMS REGARDING EITHER PARTY'S INTELLECTUAL PROPERTY RIGHTS AND CONFIDENTIAL INFORMATION, TO WHICH THIS SECTION WILL NOT APPLY, IN THE EVENT THAT A RESOLUTION IS NOT REACHED AMONG THE PARTIES WITHIN THIRTY (30) DAYS AFTER WRITTEN NOTICE OF A DISPUTE, THE DISPUTE SHALL BE FINALLY SETTLED BY BINDING ARBITRATION IN THE COUNTY OF NEW YORK, NEW YORK. SUCH ARBITRATION SHALL BE CONDUCTED IN ENGLISH IN ACCORDANCE WITH THE RULES OF THE AMERICAN ARBITRATION ASSOCIATION BY ONE (1) ARBITRATOR APPOINTED IN ACCORDANCE WITH SUCH RULES. THE ARBITRATOR SHALL ALLOW SUCH DISCOVERY AS IS APPROPRIATE TO THE PURPOSES OF ARBITRATION IN ACCOMPLISHING A FAIR, SPEEDY, AND COST-EFFECTIVE RESOLUTION OF THE DISPUTE. THE ARBITRATOR SHALL REFERENCE THE FEDERAL RULES OF CIVIL PROCEDURE THEN IN EFFECT IN SETTING THE SCOPE AND TIMING OF DISCOVERY. THE AWARD OF ARBITRATION SHALL BE FINAL AND BINDING UPON BOTH PARTIES. THE ARBITRATOR WILL AWARD TO THE PREVAILING PARTY ALL COSTS, FEES AND EXPENSES RELATED TO THE ARBITRATION, INCLUDING REASONABLE FEES AND EXPENSES OF ATTORNEYS, ACCOUNTANTS AND OTHER PROFESSIONALS INCURRED BY THE PREVAILING PARTY, AND JUDGMENT ON THE AWARD RENDERED BY THE ARBITRATOR MAY BE ENTERED IN ANY COURT HAVING JURISDICTION THEREOF. Subject to the foregoing, the parties hereto hereby irrevocably submit to the exclusive jurisdiction of the courts of the State of New York and the Federal courts of the United States of America located in the State of New York, and hereby waive, and agree not to assert, as a defense in any Legal Proceeding for the interpretation or enforcement hereof or thereof, that it is not subject thereto or that such Legal Proceeding may not be brought or is not maintainable in said courts or that the venue thereof may not be appropriate or that this Agreement or any such document may not be enforced in or by such courts, and the parties hereto irrevocably agree that all claims with respect to such action or proceeding shall be heard and determined in such a New York State or Federal court. The parties hereby consent to and grant any such court jurisdiction over the person of such parties and over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 9.2 or in such other manner as may be permitted by applicable Legal Requirements, shall be valid and sufficient service thereof. With respect to any particular Legal Proceeding, venue shall lie solely in the County of New York. A party may apply either to a court of competent jurisdiction or to an arbitrator, if one has been appointed, for prejudgment remedies and emergency relief pending final determination of a claim pursuant to this Section 9.10. The appointment of an arbitrator does not preclude a party from seeking prejudgment remedies and emergency relief from a court of competent jurisdiction.

9.11 Attorneys' Fees. Should any Legal Proceeding be brought to enforce or interpret any part of this Agreement, the prevailing party will be entitled to recover, as an element of the costs of suit and not as damages, reasonable attorneys' fees to be fixed by the court (including costs, expenses and fees on any appeal) and its costs of suit, regardless of whether such Legal Proceeding proceeds to final judgment.

9.12 No Joint Venture. Nothing contained in this Agreement will be deemed or construed as creating a joint venture or partnership between any of the parties hereto. Except as provided herein, no party is by virtue of this Agreement authorized as an agent, employee or legal representative of any other

party. Except as provided herein, no party will have the power to control the activities and operations of any other, and their status is, and at all times will continue to be, that of independent contractors with respect to each other with respect to this Agreement. Except as provided herein, no party will have any power or authority to bind or commit any other party. No party will hold itself out as having any authority or relationship in contravention of this Section 9.12.

9.13 Amendment; Extension; Waiver. Subject to the provisions of applicable law, the parties hereto may amend this Agreement at any time pursuant to an instrument in writing signed by the Company, Holders' Agent, and Buyer. At any time, any party hereto may, to the extent legally allowed, (a) extend the time for the performance of any of the obligations or other acts of the other party hereto applicable to such party, (b) waive any inaccuracies in the representations and warranties made to such party contained herein or in any document delivered pursuant hereto, and (c) waive compliance with any of the agreements or conditions for the benefit of such party contained herein. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party. Without limiting the generality or effect of the preceding sentence, no delay in exercising any right under this Agreement shall constitute a waiver of such right, and no waiver of any breach or default shall be deemed a waiver of any other breach or default of the same or any other provision in this Agreement.

9.14 Rules of Construction. The parties hereto have been represented by counsel during the negotiation, preparation and execution of this Agreement and, therefore, hereby waive, with respect to this Agreement, each schedule and each exhibit attached hereto, the application of any law, regulation, holding or rule of construction providing that ambiguities in an agreement or other document shall be construed against the party drafting such agreement or document.

PLAN OF LIQUIDATION

OF

KIMBIA, INC.

This Plan of Liquidation (this “**Plan**”) is intended to accomplish the complete liquidation and dissolution of Kimbia, Inc., a Delaware corporation (the “**Company**”), in accordance with the Delaware General Corporation Law (the “**DGCL**”), as follows:

1. **Background.**

(a) **Square 1 Loan.** The Company and Pacific Western Bank, successor in interest by merger to Square 1 Bank (“**Lender**”), entered into that certain Loan and Security Agreement dated April 28, 2016 (such agreement, as amended or modified from time to time, together with all documents, instruments and agreements related there to, the “**Loan Documents**”).

(b) **Remedies on Default.** Upon a default by the Company under the Loan Documents, the Lender was entitled to sell the Company’s rights, title and interest in and to the Collateral (as defined in the Loan Documents) in a private foreclosure sale in accordance with the provisions of Article 9 of the Uniform Commercial Code as adopted in North Carolina.

(c) **Default and Sale of Assets.** Following the Company’s default under the Loan Documents, the Lender sent a Notification of Disposition of Collateral to the Company, and on January 18, 2018, pursuant to the terms of that certain Asset Purchase Agreement by and between Lender and GiveGab, Inc., a Delaware corporation (“**Purchaser**”), dated January 18, 2018, Lender sold substantially all of the Company’s assets to Purchaser (the “**Asset Sale**”).

(d) **Ancillary Agreements.** As a condition to completing the Asset Sale, the Company entered into an Agreement Ancillary to Foreclosure Sale with Purchaser (the “**Purchaser Ancillary Agreement**”) and an Agreement between the Company and Lender Ancillary to Foreclosure Sale dated the date of the Asset Sale (the “**Lender Ancillary Agreement**”). The Company’s Board of Directors (the “**Board**”) determined that it was in the best interests of the Company and its creditors and stockholders to enter into the Purchaser Ancillary Agreement and the Lender Ancillary Agreement, as that would allow the Asset Sale to occur, which the Board determined was the best available way to provide the greatest repayment of the Company’s creditors. In the Purchaser Ancillary Agreement, the Company and Purchaser made representations and warranties and undertook certain covenants and the Company, together with certain holders (the “**Holders**”) of subordinated debt (the “**Notes**”), released certain claims and agreed to provide indemnification to Purchaser against certain claims. In the Lender Ancillary Agreement, the Company and Lender made representations and warranties and undertook certain covenants and released certain claims.

(e) **Proceeds to the Company.** The Company has received from Lender the amount of proceeds from the Asset Sale in excess of the amounts required to pay and satisfy all outstanding obligations of the Company to Lender under the Loan Documents (the “**Closing Consideration**”). The Company also has the right to receive future payments that are contingent on the occurrence of certain transactions with the Company’s customers (the “**Contingent Consideration**”).

2. **Effective Date.** The Board has approved the dissolution of the Company under the DGCL and adopted this Plan and is requesting the written consent of the Company’s stockholders (the “**Stockholders**”) to dissolve and effect this Plan. If the Stockholders holding (i) a majority of the outstanding shares of the

{01351/0002/00213970.2}

Company's capital stock, (ii) a majority of the outstanding shares of the Company's Series 2 Preferred Stock and (iii) a majority of the outstanding shares of the Company's Series 1-A Preferred Stock, each voting as a separate class ((i) through (iii) collectively, the "**Requisite Stockholders**"), vote in favor of the dissolution of the Company and the adoption of this Plan, this Plan shall constitute the adopted Plan of Liquidation of the Company as of the date that such approval is obtained (the "**Adoption Date**").

3. **Cessation of Business Activities.** After the Adoption Date, the Company shall not engage in any business activities except to the extent necessary to liquidate its remaining assets, wind up its business affairs, pay all creditors and claimants to the extent possible and distribute its remaining assets in accordance with this Plan and the Company's Amended and Restated Certificate of Incorporation, as amended (the "**Certificate of Incorporation**"). Following the Adoption Date, the Company shall file Forms 966, 1120 and 941, as and if required, with the Internal Revenue Service in accordance with, and in the time prescribed by, applicable laws.

4 **Continuing Employees and Consultants.** For the purpose of effecting the winding up of the Company's affairs, the Company has retained such employees and consultants as the Board deems necessary or desirable to supervise the winding-up process.

5. **Liquidation Process.** From and after the Adoption Date, the Company shall complete the following corporate actions:

(a) **Liquidation of Assets.** The Company shall, to the extent commercially reasonable, collect, sell, exchange or otherwise dispose of all of its remaining property and assets in one or more transactions upon such terms and conditions as the Board, in its absolute discretion, deems expedient and in the best interests of the Company and its creditors and Stockholders, without any further vote or action by the Stockholders. The Company's assets and properties may be sold in bulk to one buyer or a small number of buyers or on a piecemeal basis to numerous buyers. The Company will not be required to obtain appraisals or other third party opinions as to the value of its properties and assets in connection with such liquidation. In connection with such collection, sale, exchange and other disposition of the Company's assets, the Company shall collect or make provision for the collection of all accounts receivable, debts and claims owing to the Company or otherwise reduce such assets, to the extent possible, to cash. The Company's directors and officers are authorized and empowered to terminate the Company's PEO arrangement and such other agreements to which the Company is a party following the completion of the Asset Sale or as soon as practicable thereafter and to take all acts necessary or advisable in connection with such termination.

(b) **Payment of Obligations and Reservation of Contingent Fund.** In accordance with the provisions of Section 281(b) of the Delaware General Corporation Law, the Company shall satisfy or, as determined by the Board, make reasonable provision for the satisfaction of:

(i) all claims and obligations, including all contingent, conditional or unmatured contractual claims (including severance, retention and other compensation claims) known to the Company, excluding from such claims for payment purposes the claims on the Notes by reason of the Holders' agreement to subordinate such claims described in last paragraph of this Section;

(ii) any claim against the Company which is the subject of a pending action, suit or proceeding to which the corporation is a party; and

(iii) all claims that have not been made known to the Company or that have not arisen but that, based on facts known to the Company, are likely to arise or become known to the Company within 10 years after the date of dissolution as that date is determined by Section 275 of the DGCL.

Such valid claims shall be paid in full and any such provision for payment shall be made in full if there are sufficient assets; otherwise, such claims and obligations shall be paid or provided for according to their priority and, among claims of equal priority, ratably to the extent of assets legally available therefor. The Company shall set aside at least \$20,000 for payment of claims referenced in subparagraph 5(b)(iii) above.

As the Closing Consideration and the Contingent Consideration will not be sufficient to repay all creditor claims if the Notes are included in distribution to unsecured creditors, Holders of the Notes have agreed to subordinate claims with respect to their Notes to the payment of all other creditor claims against the Company and distribution to the Holders on account of the Notes shall be made under Section 5(c) from Net Distributable Cash after payment of all other creditor claims under this Section 5(b). Pursuant to the Purchaser Ancillary Agreement, the Company is permitted to assign to the Holders the right to the Contingent Payment but the Company shall not do so unless it has paid or provided for all other creditor claims as contemplated by this Section 5(b).

(c) **Distributions to Subordinated Notes and Stockholders.** The term “**Net Distributable Cash**” means all cash of the Company, including the cash proceeds of any sale, exchange or disposition of the Company’s property and assets, and any other assets including any payments received on the Contingent Consideration, if any, that remain **after** payment or making reasonable provision for (i) the claims and obligations of the Company (referenced in paragraph 5(b) above) including, without limitation, tax obligations, and (ii) all expenses and obligations related to dissolution and winding up of the Company pursuant to Section 8 below, including expenses related to the sale of the Company’s property and assets and expenses related to the collection and defense of the Company’s property and assets and (iii) all other obligations related to the liquidation and dissolution provided for in this Plan. From the Net Distributable Cash, the Company shall first pay the claims of the Holders on account of the Notes to the extent of available Net Distributable Cash, and if the Net Distributable Cash is insufficient to make payment in full on such Note claims, than such Holder claims shall be paid from the Net Distributable Proceeds pro rata based on the balances of their Notes (such payments, the “**Subordinated Debt Payments**”). If after completing the Subordinated Debt Payments, Net Distributable Proceeds remain, such funds shall be distributed to the Stockholders on account of their equity interests in the Company in accordance with the provisions of the Certificate of Incorporation. As the Net Distributable Cash will not be sufficient to repay the Notes in full, no funds will be available for distribution to the Stockholders. Such distribution to the Holders may occur all at once or in a series of distributions and shall be in cash or assets, in such amounts, and at such time or times, as the Board in its absolute discretion may determine, subject to the terms of the Certificate of Incorporation and this Plan.

6. **Certificate of Dissolution.** After the Adoption Date, and subject to the approval of the Requisite Stockholders of the dissolution of the Company, the directors or officers of the Company shall, at such time as the Board, in its absolute discretion, deems necessary, appropriate or desirable, obtain any certificates required from the Delaware tax authorities and, upon obtaining such certificates, the Company shall file with the Secretary of State of the State of Delaware a Certificate of Dissolution in accordance with the DGCL.

7. **Stockholder Consent to Sale of Assets.** Adoption of this Plan by the Requisite Stockholders shall constitute the approval of the Stockholders of the sale, exchange or other disposition in liquidation of all of the property and assets of the Company remaining after the closing of the Asset Sale, whether such sale, exchange or other disposition occurs in one transaction or a series of transactions, and shall constitute ratification of all contracts for sale, exchange or other disposition which are conditioned on adoption of this Plan.

8. **Expenses of Liquidation and Dissolution.** In connection with and for the purposes of implementing and assuring completion of this Plan, the Company may, in the absolute discretion of the Board, pay any

brokerage, agency, accountant, lawyer or other professional and other fees and expenses of persons rendering services to the Company in connection with the collection, sale, exchange or other disposition of the Company's property and assets and the implementation of this Plan.

9. **Indemnification.** The Company shall continue to indemnify its officers, directors, employees, agents and representatives in accordance with the Certificate of Incorporation and the Company's Bylaws and any contractual arrangements, for the actions taken in connection with this Plan and the winding up of the affairs of the Company. The Board, in its absolute discretion, is authorized to obtain and maintain insurance as may be necessary or appropriate to cover the Company's obligations hereunder.

10. **Address of the Company Post-Dissolution.** Following issuance of the Certificate of Dissolution by the Secretary of State of the State of Delaware, the mailing address and contact information for the Company shall be as follows:

Kimbia, Inc.
c/o S3 Ventures III, LLC
Attn: Brian R. Smith
6300 Bridgepoint Parkway
Building One, Suite 405
Austin, Texas 78730

11. **Modification or Abandonment of the Plan.** Notwithstanding authorization or consent to this Plan and the transactions contemplated hereby by the Stockholders, the Board may modify, amend or abandon this Plan and the transactions contemplated hereby without further action by the Stockholders to the extent permitted by the DGCL.

12. **Authorization.** The Board of the Company is hereby authorized, without further action by the Stockholders once the Requisite Approval for dissolution has been obtained, to do and perform or cause the officers of the Company, subject to approval of the Board, to do and perform, any and all acts, and to make, execute, deliver or adopt any and all agreements, resolutions, conveyances, certificates and other documents of every kind which are deemed necessary, appropriate or desirable, in the absolute discretion of the Board, to implement this Plan and the transactions contemplated hereby, including, without limiting the foregoing, all filings or acts required by any state or federal law or regulation to wind up its affairs.

(viii) all accounts receivable of Debtor for products to be sold or services to be rendered after Closing to the extent not deducted from the Purchase Price as Closing Deferred Revenue; and

(ix) the goodwill associated with the Transferred Assets and the Business.

The purchase and sale of the Transferred Assets pursuant to this Agreement may be referred to herein as the “**Asset Purchase**.” To the extent that any tangible or intangible assets (including any accounts receivable) or rights are discovered or identified at any time after the Closing that, pursuant to this Agreement, constitute Transferred Assets (or may have been if such assets or rights had been listed in the applicable schedules or otherwise previously disclosed to Purchaser) and should have been considered for transfer to Purchaser, Seller shall immediately notify Purchaser of such discovery and, upon request from Purchaser, Seller shall immediately transfer and promptly deliver the requested assets or rights (or cause them to be delivered) to Purchaser (together with executed instruments of conveyance as necessary to transfer all of Seller’s rights, title and interest therein) without additional payment or other consideration and such additional assets shall constitute Purchased Assets hereunder.

In furtherance of the foregoing, if Seller receives any accounts receivable that qualify as a Transferred Asset hereunder, Seller shall promptly (and within three (3) Business Days) remit such accounts receivable to Purchaser.

1.2 Excluded Assets. Notwithstanding anything contained herein or in any other instrument, conveyance or document delivered pursuant to this Agreement to the contrary, the Transferred Assets shall not include any of Seller’s rights, titles or interests in and to any asset or property, whether tangible or intangible, real or personal, wherever situated, that is not expressly listed as a Transferred Asset and, for the avoidance of doubt, shall not include any of the following (collectively, the “**Excluded Assets**”):

(a) Any Contract (or any rights or obligations related to any Contract) other than the Assigned Agreements, including the Contracts set forth on Schedule 1.1(b)(i);

(b) All cash, deposit accounts, time deposits, marketable securities and other cash equivalents of Seller or Debtor as of the Closing; and

(c) All accounts receivable of Debtor and all rights of Debtor to payments for revenue that has been earned but not invoiced by Debtor, in each case solely to the extent accrued for products sold or services rendered by Debtor prior to the Closing. For the avoidance of doubt, if revenue is considered earned on a full-month basis rather than on a specific product or project basis, then one-half of such monthly revenue for the month of January 2018 is considered earned by Debtor.

1.3 Assumed Liabilities. Other than the Liabilities associated with the performance of services under the Assigned Business Agreements for the period following the Closing (the “**Assumed Liabilities**”), Purchaser shall assume no Liabilities or other obligations of Seller or Debtor, any Affiliate of Seller or Debtor or stockholder or noteholder of Debtor, whether currently existing or hereinafter created, including but not limited to any Liabilities arising out of

or relating to (a) the use or ownership of the Transferred Assets or the operation of the Business by Debtor prior to the Closing or any Liabilities arising out of the Transferred Assets or the operation of the Business by Debtor prior to the Closing, (b) any Liability relating to Taxes or any Liabilities of any Person other than the Debtor that are imposed on Debtor under Treasury Regulations Section 1.1502-6 (or any similar provision of state, local or foreign law), as a transferee or successor, by contract or otherwise; (c) all Liabilities of Debtor for Taxes incident to or arising out of the negotiation, preparation, approval or authorization of this Agreement the transactions contemplated hereby (including all Transaction Taxes), (d) the Benefits Liabilities, (e) any Liability with respect to any employee or consultant of Debtor related to such employee or consultant's employment or services with Debtor, including but not limited to the Excluded Services Liabilities and any Liabilities relating to, wrongful discharge, employment discrimination, severance, the termination of such employee or consultant's employment or services with Debtor whether or not in connection with the transactions contemplated hereby and employee or consultant withholding or reporting Tax Liabilities, (f) the Excluded Assets, and (g) all fees and expenses incurred by Debtor or any Affiliate of Debtor in connection with the transactions contemplated hereby (collectively, the "*Excluded Liabilities*"). For the avoidance of doubt, Purchaser's assumption of such Assumed Liabilities shall be subject to the consummation of the Closing.

1.4 Liabilities. Seller (or pursuant to the Ancillary Agreement, Debtor) will retain, and will be solely responsible for paying, performing and discharging, and Purchaser will not assume or otherwise have any responsibility or liability for, and Seller (or pursuant to the Ancillary Agreement, Debtor) will retain, and will be solely responsible for paying, performing and discharging promptly when due, any Excluded Liabilities. Purchaser hereby assumes, and will be solely responsible for paying, performing and discharging the Assumed Liabilities.

1.5 Assignment of Contracts and Rights. Anything in this Agreement to the contrary notwithstanding, this Agreement shall not constitute an agreement to assign any Transferred Asset or any claim or right or any benefit arising thereunder or resulting therefrom if an attempted assignment thereof, without consent of a third party thereto, would constitute a breach or other contravention thereof or in any way adversely affect the rights of Purchaser, Debtor or Seller thereunder.

1.6 Purchase Price and Payment of the Purchase Price. Subject to the terms and conditions set forth in this Agreement, as consideration for the Transferred Assets and the assumption of the Assumed Liabilities, the purchase price shall be the following consideration (the "**Purchase Price**"):

- (a) the amount of indebtedness owed by Debtor to Seller under the Loan Documents as of the Closing, excluding Seller Expenses: \$2,103,338.70;
- (b) \$1,004,464.30; and
- (c) additional consideration as set forth below (collectively, the "**Contingent Payment**"):

(i) if Purchaser or any of its Affiliates completes a Giving Day (as defined in the Master Hosting and Service Provider Agreement between Debtor and GiveMN, a Minnesota non-profit corporation (“GiveMN”), dated as of February 11, 2014 (the “Current GiveMN Contract”)) in the capacity of the sole technology hosting partner for GiveMN on or prior to December 31, 2018, whether pursuant to the Current GiveMN Contract, or a new contract entered into between Purchaser or any of its Affiliates and GiveMN, then within 15 days after Purchaser receives payment for such Giving Day, Purchaser shall make a cash payment to Debtor equal to the greater of the Net Platform Fees Earned from hosting such Giving Day (up to a maximum amount of \$250,000) and \$75,000; and

(ii) if Purchaser or any of its Affiliates completes a Giving Day as the sole technology hosting partner for Communities Foundation of Texas on or prior to December 31, 2018, Purchaser shall make a cash payment to Debtor equal to the greater of the Net Platform Fees Earned from hosting such Giving Day (up to a maximum amount of \$250,000) and \$75,000.

For the avoidance of doubt, each payment set forth in Section 1.6(c)(i) and Section 1.6(c)(ii) is a separate payment, independent of each other, and governed by the terms of Section 1.6(c)(i) and Section 1.6(c)(ii), respectively. At Closing, Purchaser shall pay the amounts set forth in Section 1.6(a) and Section 1.6(b) in cash to Seller by wire transfer of immediately available funds. Seller agrees that, upon receipt of the amounts set forth in Section 1.6(a) and Section 1.6(b), all Encumbrances on the Collateral other than the Cash Collateral Accounts shall be released, all indebtedness outstanding under the Loan Documents other than the Bank Retained Liabilities shall be paid and satisfied in full, and that all of Debtor’s obligations to Seller under the Loan Documents (other than the Bank Retained Liabilities and the inchoate indemnity obligations which survive termination by their terms) shall terminate in full without any further action of Seller or Debtor. Seller hereby authorizes Purchaser to file UCC-3 termination statements (or any other applicable termination statement) on behalf of Seller upon Closing, and Seller shall take such further actions and execute such further documents (including without limitation releases of filings with the United States Patent and Trademark Office) as Purchaser may reasonably request to terminate all Encumbrances on the Transferred Assets. The payment set forth in Section 1.6(b) will be excess proceeds from the sale and will be distributed to the Debtor (“Excess Funds”), which must be accounted for to Debtor as “surplus” under the UCC. The process, and conditions, by which the Excess Funds shall be paid to Debtor are set forth in the Seller Ancillary Agreement. Seller agrees to the disbursement of the Purchase Price set forth in the Seller Ancillary Agreement hereto and agrees that the Contingent Payment of the Purchase Price shall be included in Excess Funds. In furtherance of the provisions of this paragraph, Section 3.4 of the Seller Ancillary Agreement provides for Seller’s transfer of all right, title and interest in and to such Contingent Payment to Debtor, and Seller agrees that thereafter all matters related to the Contingent Payment shall be solely between the Debtor and the Purchaser, including matters relating to amount (if any) and payment of the Contingent Payment and any indemnification claims against the Contingent Payment as contemplated in the Ancillary Agreement, without any further rights or obligations on the part of Seller.

1.7 Closing and Closing Date. Subject to the satisfaction (or waiver) of the closing conditions set forth in Article 4, closing of the transactions contemplated hereby (the “**Closing**”) shall occur on the date hereof (the “**Closing Date**”).

1.8 Deliveries at Closing. At the Closing, Seller and Purchaser shall exchange, execute, or cause to be executed (as applicable), the following documents:

(a) The executed Agreement Ancillary to Foreclosure Sale by and between Purchaser and Debtor attached hereto as Exhibit C (the “**Ancillary Agreement**”);

(b) The executed Agreement between Seller and Debtor Ancillary to Foreclosure Sale attached here to as Exhibit D (the “**Seller Ancillary Agreement**”);

(c) a Bill of Sale and Assignment and Assumption in the form attached hereto as Exhibit E (the “**Bill of Sale**”)

(d) The Domain Name Assignment Agreement, Patent Assignment Agreement, and Trademark Assignment Agreement, in the form attached hereto as Exhibits F, G, and H (collectively the “**IP Assignment Agreements**”).

(c) The execution, delivery and performance of this Agreement does not and will not (i) constitute a violation of the certificate of incorporation or the bylaws, as the case may be, of Purchaser, (ii) constitute a violation of any statute, judgment, order, decree or regulation or rule of any Governmental Body applicable or relating to Purchaser, or (iii) constitute a default under any contract to which Purchaser is a party.

(d) Consummation of this Agreement, and Purchaser's incurring of its obligations hereunder will not render Purchaser insolvent.

(e) PURCHASER HAS BEEN GIVEN THE OPPORTUNITY TO CONDUCT, AND HAS CONDUCTED, ALL INSPECTIONS, INVESTIGATIONS, TESTS, AND REVIEWS OF THE TRANSFERRED ASSETS AS PURCHASER DEEMS NECESSARY AND APPROPRIATE FOR THE PURPOSES OF THIS AGREEMENT, AND HAS DETERMINED TO PURCHASER'S SATISFACTION THE CONDITION OF THE TRANSFERRED ASSETS, THE VALUE OF THE TRANSFERRED ASSETS, AND ALL OTHER ASPECTS OF THE TRANSFERRED ASSETS THAT PURCHASER DEEMS RELEVANT FOR THE PURPOSES HEREOF.

ARTICLE 3 **COVENANTS**
