ASSIGNMENT OF APPLICATION FOR UNITED STATES LETTERS PATENT

WHEREAS, Hans Müller of Lauda-Königshofen, Germany and Stefan Gärtner of Creglingen, Germany (referred to collectively as the Assignor), has invented a certain improvement relating to Book Production Line and Method for Producing Individual Books as well as Very Short and Short Runs of Books, which said Assignor has caused an application for United States Letters Patent to be prepared,

☒ said application having been filed in the United States Patent and Trademark Office on 16/824,923, and assigned Application No. March 20, 2020

☐ said application having been filed under the Patent Cooperation Treaty on _____, as Application No. _____, the United States of America being designated.

AND WHEREAS, Müller Martini Holding AG, Sonnenbergstrasse 13, CH-6052 Heriswil, Switzerland, hereinafter referred to as the Assignee, is desirous of acquiring the entire right, title, and interest in and to said application, including any and all divisions and continuations thereof, and in and to said invention and any and all patents which may be granted therefor, including any and all renewals, reissues, and prolongations thereof;

NOW THIS WITNESSETH, that for and in consideration of One Dollar (\$1.00), and other good and valuable consideration paid by said Assignee to said Assignor, the receipt of which is hereby acknowledged, said Assignor hereby assigns, sells, and transfers to said Assignee, and said Assignee's successors and assigns, the entire and exclusive right, title, and interest in and to said application, including any and all divisions and continuations thereof, and in and to said invention and any and all patents which may be granted therefor, including any and all renewals, reissues, and prolongations thereof; said Assignee, and said Assignee's successors and assigns, to have, hold, exercise, and enjoy the said application, including any all divisions and continuations thereof, and the said invention and any all patents which may be granted therefor, including any and all renewals, reissues, and prolongations thereof, with all the rights, powers, privileges, and advantages in any way arising from or appertaining thereto, for and during the term or terms of any and all such patents when granted, including any and all renewals, reissues, and prolongations thereof, for the use and benefit of said Assignee, and said Assignee's successors and assigns, in as ample and beneficial a manner as the said Assignor might or could have held and enjoyed the same if this Assignment had not been made.

AND said Assignor hereby agrees to perform, upon the request of said Assignee or said Assignee's successors or assigns, any and all acts relating to the obtaining or to the asserting of said patents, including any and all renewals, reissues, and prolongations thereof.

AND said Assignor authorizes and requests the Commissioner of Patents and Trademarks to issue the Letters Patent on said application, and on any and all divisions and continuations thereof, to said Assignee, and said Assignee's successors and assigns, in accordance herewith.

AND the Assignor hereby grants the firm FisherBroyles, LLP, 945 East Paces Ferry Road NE, Suite 2000, Atlanta, GA 30326, the power to insert on this assignment any identifying information, including application number, and filing and execution dates, and to correct errors in spelling of names, addresses and dates which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
