ASSIGNMENT

Whereas, We, James A. Austin, a citizen of the United States, residing at 3000 Simondale Drive, Fort Worth, TX 76109, and, Jeffrey O. Getrum, a citizen of the United States, residing at 7663 Beaver Head Road, Fort Worth, TX. 76137, having made an invention in Weigh Module Lockout Assembly and Method, identified by docket number CFT-005, and having, on even date herewith, executed an application for Letters Patent of the United States of America based thereon;

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, We have agreed to assign and transfer and do hereby assign and transfer together unto ConeCraft, Inc., a Texas corporation, having its principle office at 3209 South Grove Street, Fort Worth, TX. 76110 (hereinafter "ConeCraft"), its successors and assigns, the entire right, title and interest in and to the said invention and application, and in and to any division, continuation or continuation-in-part, of said application, and in and to any and all Letters Patent and reissues and extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted on any of the foregoing to be held and enjoyed as fully and exclusively as they would have been by Us had this assignment and transfer not been made;

We do further agree for Ourselves and for Our heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such other acts as We lawfully may, that may be deemed necessary by the said ConeCraft, its successors, assigns, and nominees, fully to secure their interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

And We do hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of the said applications, to the said ConeCraft, as the assignee of the entire interest therein.
