ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, FLIR Surveillance, Inc., a Delaware corporation ("Assignor") hereby sells, assigns and transfers to **FLIR Commercial Systems, Inc.**, a California corporation ("Assignee"), having a place of business at 6769 Hollister Avenue, Goleta, California 93117, its successors and assigns, the entire right, title and interest throughout the world in

CRYOCOOLER CONTROLLER SYSTEM AND METHODS

for which was filed a United States Patent Application on October 11, 2017, having Application No. 62/571,000, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; Assignor authorizes the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization; Assignor agrees to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said Assignee, their successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and Assignor requests that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named Assignee, its successors and assigns.

Executed this 10 day of October, 2018.

FLIR Surveillance, Inc.
Chris Lewis, VP, Chief IP Counsel
