ASSIGNMENT

WHEREAS, I, Brian Christensen, resident of the State of Utah, whose postal mailing address is 138 East 12300 South, C165, Draper, Utah 84020 (hereinafter "Assignor") am the owner of all right, title and interest in the invention entitled **LANTERN LIGHT** for which an application for United States Design Letters Patent is being filed concurrently herewith OR which was filed on March 20, 2018, as THORPE NORTH & WESTERN L.L.P. Docket No. 3172-052.DES, and given U.S. Patent Application Serial No. 29/641,262; and;

WHEREAS, Simple Products Corporation a Corporation, organized and existing under the laws of the State of Utah, having a business address of 138 East 12300 South, C165, Draper, Utah 84020 (hereinafter "Assignee"), is desirous of acquiring Assignor's entire right, title, and interest in the same;

NOW, THEREFORE, in consideration of one dollar (\$1.00) and other good and valuable consideration paid to me by the Assignee, the receipt and sufficiency whereof is hereby acknowledged, I the said Assignor, hereby grant and assign unto the said Assignee, my entire right, title and interest in said invention and in all design patent applications based thereon, including but not limited to the above identified United States Design Patent Application and in all provisionals, divisions, continuations, and continuations-in-part of said application, or reissues or extensions of Design Letters Patent or Design Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all design patents issuing thereon in the United States and foreign countries; the right, power and authority to file and prosecute U.S. and foreign

patent applications on said invention, and to do so in its own name wherever such right may be legally exercised, and including the right to claim the priority and benefits of the International Convention for such applications; and the right to bring actions for infringement of any right in said invention in its own name, including past infringement, in any jurisdiction.

I hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all Design Letters Patent on said invention to the said Assignee as the owner of my entire interest, for the sole use and behoof of the said Assignee, its successors, assigns, heirs, and legal representatives, to the full end of the term for which said Design Letters Patent and any reissues or extensions thereof may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

I hereby agree, without further consideration and without expense to me, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of me to make this Assignment fully effective, including, by way of example but not of limitation, the following: prompt execution of all original, divisional, substitution, reissue, and other United States and foreign patent applications on said invention, and all lawful documents and instruments as requested by the Assignee to further the prosecution of any of such design patent applications; and cooperation to the best of my ability including, but not limited to, the execution of all lawful documents and instruments and the production of evidence in any actions or proceedings concerning the invention,

including, but not limited to, interference, nullification, reissue, extension, infringement proceedings and litigation involving said invention.

This assignment and agreement shall be binding upon assigns, successors, heirs and legal representatives of Assignor and Assignee.

Executed this 19 day of Feb, 20 19 at Draper, UT (City, State).
