INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

let
This Intellectual Property Assignment Agreement (the "Agreement") is made as of March 27, 2020 (the "Effective Date"), by and between GFG Restructuring, LLC, solely in its capacity as Assignee for the Benefit of Creditors of Gate Five Group, LLC dba Roost (the "Seller"), and Gordon Brothers Commercial & Industrial, LLC, or its assignee (the "Initial Bid Buyer"). Seller and Initial Bid Buyer are parties to a certain Asset Purchase Agreement dated as of February 18, 2020 (the "Asset Purchase Agreement"). Capitalized terms used without definitions herein shall have the meanings ascribed to such terms in the Asset Purchase Agreement.

1. Sale and Assignment of Purchased Assets. Pursuant to the Asset Purchase Agreement, Initial Bid Buyer has on the date hereof purchased the Intellectual Property from Seller. In accordance with and subject to the terms and conditions set forth in the Asset Purchase Agreement, for good and valuable consideration, the receipt of which is hereby acknowledged, Seller does hereby sell, assign, bargain, transfer, convey and deliver unto Initial Bid Buyer all of Seller's right, title and interest in and to the Intellectual Property. For purposes hereof, "Intellectual Property" shall mean all of Seller's right, title and interest in and to its patents, patent rights (and applications and registrations therefor and divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same), trademarks and service marks (and applications and registrations therefor and the goodwill associated therewith), inventions, copyrights (including applications and registrations therefor and like protections in each work or authorship and derivative work thereof), mask works (and applications and registrations therefor), trade names, trade styles, software and computer programs, source code, object code, trade secrets, methods, processes, know how, drawings, specifications, descriptions, and all memoranda, notes, and records with respect to any research and development, all whether now owned or subsequently acquired or developed by Seller and whether in tangible or intangible form or contained on magnetic media readable by machine together with all such magnetic media.

2. Cooperation. Initial Bid Buyer and Seller agree to cooperate with each other to execute and deliver such other documents and instruments and to do such further acts and things as may be reasonably requested by the other to evidence, document or carry out the sale, transfer and assignment of the Intellectual Property to Initial Bid Buyer, including filing all necessary documents with the United States Trademark and Patent Office and the United States Copyright Office.

3. Effect of Agreement. Nothing in this Agreement shall, or shall be deemed to, modify or otherwise affect any provisions of the Asset Purchase Agreement or affect the rights of the parties under the Asset Purchase Agreement. In the event of any conflict between the provisions hereof and the provisions of the Asset Purchase Agreement, the provisions of the Asset Purchase Agreement shall govern and control.

IN WITNESS WHEREOF, Seller and Initial Bid Buyer have caused this Intellectual Property Assignment Agreement to be executed on the Effective Date.
