ASSIGNMENT

WHEREAS, WE:

Richard E. Lyon, a citizen of the United States of America and residing at 628 East Seaview Ridge Drive, Galloway, New Jersey, U.S.A. 08205; and,

Louise Speitel, a citizen of the United States of America and residing at 205 Tremont Avenue, Absecon, New Jersey, U.S.A 08201; and,

Richard N. Walters, a citizen of the United States of America and residing at 128 South Genoa Avenue Egg Harbor City, New Jersey, U.S.A 08215;

(collectively, “Assignors”)

each while employed by the Government of the United States, have invented certain new and useful improvements for “*Generating and Determining the Products of Premixed Combustion of Solid Materials in a Microscale Fire Calorimeter*” identified as Attorney Docket No. 2019FAA-004R and described in an application for Letters Patent of the United States of America filed on April 6, 2020 and accorded U.S. Patent Application Serial No. 16/840,556, which claims priority to U.S. Provisional Patent Application Serial No. 62/838,759 filed on April 25, 2019;

and,

WHEREAS, the Government of the United States of America, as represented by the Administrator of the Federal Aviation Administration (hereinafter referred to as “the Government”) desires acquiring or has acquired Assignors’ interest(s) in the above-identified invention, the above-identified patent application, and any related patent applications and patents; and,

WHEREAS, the conditions under which the invention was made are such to entitle the Government under at least Paragraph 1(a) of Executive Order 10096 and its amendments to the entire right title, and interest therein including foreign rights:

NOW THEREFORE, in consideration of the promises and other good and valuable consideration, including our employment by Assignee, the receipt and sufficiency of which is hereby acknowledged, I/we hereby assign, transfer, sell, and convey to the Government my/our entire right, title, and interest in and to said invention(s) disclosed within the application, in and to said application, any and all patent applications relating to the aforesaid invention, and any and all patent applications claiming the benefit of the filing date of the application, and any and all letters patent that may be granted therefor in the United States of America and its territorial possessions, and in any and all foreign countries resulting from said invention(s) and said patent application, including any and all divisions, continuations, continuations-in-part, reexaminations, reissues, extensions, substitutions and renewals thereof; to the full end of the term for which said letters patent may be granted, the same to be held and enjoyed by the

Government as fully and entirely as the same would have been held and enjoyed by the Government if this assignment had not been made; and,

ASSIGNORS HEREBY authorize and request the Commissioner for Patents or any other proper officer or agency of any country whose duty it is to issue patents on applications as described above, to issue all said letters patent to Assignee, as assignee; and,

ASSIGNORS HEREBY warrant and covenant that I/we have full right to convey the entire interest herein assigned and that we have not executed and will not execute any instrument or assignment in conflict with this Assignment; and,

AND ASSIGNORS HEREBY agree to communicate to the Government or its representatives any facts known to me/us respecting said invention and/or application, to execute all divisional, continuation, continuation-in-part, reexamination, reissue and foreign applications, sign all lawful documents and make all rightful oaths and declarations relating to said invention and/or application, and to testify in any judicial or administrative proceeding and generally do everything possible to aid the Government to secure full and complete protection for the invention and/or application or that may be necessary to vest in the Government the complete title to the invention and/or application hereby conveyed and to enable it to record said title and enforce said letters patent in the United States of America or any foreign country when requested so to do by the Government, provided that any expense arising through such efforts will be paid by the Government.

IN TESTIMONY WHEREOF, I/we have set my hand/our hands.
