## ASSIGNMENT

WHEREAS, I, Sandra Martinez of 7520 West Coal Mine, Unit C, Littleton, CO 80123 have invented a certain new invention entitled "Double Loop Swivel Hook" for which a Design Application for Letters Patent of the United States has been prepared and filed on April 7, 2020, receiving Serial No. 29/730,649 and further identified as Attorney File No. 4525-88;

NOW THEREFORE, be it known that I, the said inventor, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the assignee do sell, assign, and transfer unto said assignee, Intelligent Designs 2000 Corp., a Colorado corporation having a place of business at 14509 East 33<sup>rd</sup> Place, Unit E, Aurora, CO 80011, its successors, legal representatives, and assigns, the aforesaid application and the invention(s) described therein for the territory of the United States of America and all continuation, divisional, continuation-in-part, and reissue applications associated therewith; all corresponding patent applications in foreign countries; all applications pursuant to the Patent Cooperation Treaty; all applications for extension filed or to be filed for the invention(s); and all Letters Patent, Invention Registrations, Utility Models, Extensions, Reissues, and other patent rights obtained for the invention(s) in the United States or any other country;

I also assign any right, title, and interest in and to the invention which has not already been transferred to the assignee;

I warrant that I have made no assignment of the invention(s), application, or patent therefor to a party other than Intelligent Designs 2000 Corp., and I am under no obligation to make any assignment of the invention, application, or patent therefor to any other party; and

I further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming assignee's exclusive ownership of the invention(s), but at the expense of said assignee.

I have reviewed and understand the contents of the application, including the claim thereof, which may have been amended by a preliminary amendment filed with the application or which are contemplated. I affirm that the above-identified application was made or authorized to be made by me. I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application. I hereby acknowledge that any willful false statement regarding inventorship of this application is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to Intelligent Designs 2000 Corp., its successors, legal representatives, and assigns, as the assignee of the entire right, title, and interest therein.

I further hereby authorize the Assignee, or its attorneys or agents, to insert the correct Application Number and filing date into this Assignment if none is indicated on the date of my execution of this agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date indicated hereunder.
